PRESTON MINOR

An abstract geometric design on a light beige background. The design features several thick, dark grey or black lines that form a central, jagged, star-like shape. From this central point, numerous thinner, light grey lines radiate outwards in various directions, some ending in small, solid grey dots. The overall effect is that of a stylized sunburst or a starburst pattern. The text 'EIGHTH GRADE' is positioned to the left of the central shape, centered vertically.

The image features a complex abstract graphic design. It consists of several overlapping geometric shapes and lines. A prominent feature is a large, dark, angular shape that resembles a stylized letter 'A' or a similar character, positioned in the center-right. This shape is surrounded by numerous thin, light-colored lines radiating outwards, creating a starburst or sunburst effect. The lines vary in length and angle, some ending in small dots. The overall composition is dynamic and modern, with a focus on geometric forms and negative space. The word 'ACTIVITIES' is printed in a serif font, centered horizontally and partially overlaid by the graphic elements.
