CANNELTON SCHOOL SONG

We'll be true to the school that we love so well.
May her praise ever we will sing.
In our hearts may our thoughts ever fondly dwell.
May our hopes and our wishes we bring.
There are schools other schools that are far and near,
But the best is the C.H.S.
To your colors we'll be loyal;
To your name we'll bear our everlasting faithfulness.

Time is but the stream I go a-fishing in. I drink at it; but while I drink I see the sandy bottom and detect how shallow it is. Its thin current slides away, but eternity remains.

Every part of nature teaches that the passing away of one life is the making room for another. The oak dies down to the ground, leaving within its rind a rich virgin mould, which will impart a vigorous life to an infant forest.
