Senior Class History

Nearing the close of our four years in Tell City High School, we began to stop and think back over those years we have spent trying to further our education.

Beginning our opening days of high school, we, like most Freshman classes before us, selected our sponsors for the year, Mr. Lowe and Mr. Sprinkle. Our class officers were: Gary York, president; Oral Goble, vice-president; Mary Hubbs, secretary-treasurer.

The Freshman basketball squad had a very good year, winning 11 and losing 5. The football team won 4 and lost none. Mr. Roos was the coach. The Frosh yell leaders were Mary Hubbs, Betty Hughes, Kay Peyton, and Martha Wathen.

Our Sophomore year started with 92 returning from the summer vacation. At the first class meeting, Miss Deane and Mr. Roos were chosen as sponsors. The class officers were: Faye Sandage, president; Don Clark, vice-president; Sammie Hargis, secretary-treasurer. The first big undertaking of our Sophomore year was the ordering of the traditional class jackets which we received in the latter part of February. The class sponsored a school basketball tourney, which was our first profitable enterprise. The final event of the year was the annual picnic at Lincoln State Park with the class finishing with an enrollment of 87.

Our Junior year began much as the previous years, except we returned feeling much older and wiser. The class selected Mr. McRae and Mr. Brewster to help guide us through this big and important year. For class officers we selected David Ettensohn, president; Jerry Etienne, vice-president; and Janet Brite, secretary-treasurer. One of the first events of our Junior year was the ordering of our class rings. Later followed the Junior Carnival, which along with the Junior Play entitled "Man on the Stairs", and the class tourney, provided funds for the Junior, Senior Banquet and Prom. This big event was held at the K of C Home. Carrying out the Oriental Theme, the room was decorated with Chinese Lanterns, oriental posters, and all the things that would go into making a Oriental Prom a success. This big year was brought to a close with the school picnic held at Lincoln City.

Our first three years were extremely busy, but nothing compared to this last year. It had finally arrived. During grade school we said, "We can't

wait until our last year." We've talked about the things we plan to do in that final year, which would complete our high school education.

The class of 1956 began this year with an enrollment of eighty. As soon as classes were resumed in the fall we seniors met and selected our class sponsors for this all important year. We made a very good choice in selecting Miss Black and Mr. Thrasher. At this time we also selected class officers as follows: Jerry Etienne, president; Bill Everly, vice-president; Janet Brite, secretary-treasurer. The officers and sponsors quickly met to plan and discuss the functions of this coming year. At this time we selected for the student council Faye Sandage, Sharon Jenkins, and Bill Everly.

The seniors again sponsored a magazine sale, which proved very successful. Among other fund raising events we sponsored dances and sold class pins, from which we received a great response. In early spring we held the Senior Play entitled, "AH MEN", under the direction of Mr. Otis Saalman which proved to be very unusual. On May 5 we were given a Junior-Senior Banquet and Prom held at the K of C Home which was well attended and very much appreciated.

Baccalaureate Service was held Sunday, May 20, in the Tell City High School Auditorium.

On Monday, May 21, we held our Class Day Program. Awards were given the deserving students. That same evening 48 seniors left for Chicago for the Senior Trip.

The following Friday, May 25, seventy-six seniors were graduated at Commencement Exercises at 8:00 P.M. in the Tell City High School Auditorium. Rev. Nevin Danner was the principle speaker. Sharon Lauer gave the valedictory; and the salutatorian's address was given by Mary Goffinet. The Tell City High School Band played the processional and recessional marches and other selections.

The class chose for its colors blue and white; the class flower was a red carnation; and our class song was written to the melody of "Moments to Remember".

These last four years we have been preparing "Not For Today, But For Tomorrow".

Class Will

We, the seniors of T.C.H.S. in the year of our Lord 1956, being of sane mind and generous heart, do make this our last will and testament, hoping the undergraduates and teachers, the benefactors of our wills, will make use of the personalities, characters, and positions willed them as we have gained them through hard work and years of experience.

- I, Delores Gramelspacher, will my ability to go steady with one boy for two and one half years to Wanda Mullis. She can't seem to settle down.
- I, Leo Dauby, will my Moms head scarf to Archie, the janitor, to wear when someone takes his cap.
- I, P.J. Davis, will my musical ability to Bill Dreyling. We can't let a girl take over the first chair.
- I, Richard Dooley, will my ability to sell the "squeal" of the pigs to Mr. Loftis so he can get more money out of his pigs.
- I, Jerry Etienne, will my position as president of the senior class to any level headed junior, if there is any.
- I, David Ettensohn, will my ability not to go steady all through high school to Ronnie Helton. He just can't seem to keep away from the girls.
- I, Coretta Burris, will my home in the country to Linda Powell, then she can harmonize with the sheep.
- I, Bill Churchill, will my new Bendix washing machine to Charlie Peters so he can do the football team some good.
- We, Joan Collins and Mary Goffinet, will our ability to be flunkies for Miss Black and Mr. Thrasher to any junior who doesn't like study halls. It's a lot of fun.
- I, Doris Crawford, will my gift of gab to Priscilla Wheeler if she wants it, but it doesn't bring too many A's in conduct.
- I, Don Clark, will my five O'clock shadow to Joe Hudson, I hear he wants one.
- I, Larry Beatty, will my ability to go with a girl from Gerald to anyone who likes to drive twenty miles for a girl.
- I, Bill Blandford, will my ability to visit Mr. Hurst to anyone who has the urge to smoke in the boiler room, classroom, restroom, school lawn, attic, and sidewalks.
- I, Robert Braun, will my side saddle to some junior boy that takes machine shop, so Mr. Hagan can ride him.
- I, Janet Brite, will my height to Jane Rhodes so she can be seen around the halls of T.C.H.S.
- I, Harry Buchanan, will my ability of making high grades to any junior boy who is failing.
- I, Doris Amos, will my ability to get along with the teachers to some unfortunate underclassman.
- I, Mary Wind, will my height to Patsy Tate so she can be seen in the halls.

Magazine Sale

SEATED--P. J. Davis, Faye Sandage, Sammie Hargis, Janet Brite. STANDING--Dale Seibert, Don Clark, Bill Everly, Ray Sifrig.

One of the annual fund-raising programs for the seniors is a magazine sale sponsored by the Curtiss Publishing Company. It is organized by Mr. Taylor, the company's representative from Princeton. His method to stimulate the ambitious seniors was, dividing them into teams each headed by two captains. They work in competition with each other--prizes being awarded each day to the highest salesman and a final prize

to the winner. The losing team also entertains the winning team at the end of the sale.

The total sales for this campaign, which lasted two weeks, was \$1,934.43--the net profit to seniors was \$625. The highest salesman was Lee Eddie Peter with \$200.59. Second highest was Janet Brite was \$141.38. The sales staff consisted of:

Captains: RED TEAM
Faye Sandage
P.J. Davis

GREEN TEAM
Sammie Hargis
Dale Seibert

Co-Chairman: Janet Brite
Bill Everly

Publicity Men: Ray Sifrig
Don Clark

The campaign wound up with a dance and refreshments for all at the expense of the losers.
