## COMMUNITY SURROUNDINGS INFLUENCE OUR LIVES

Many of our graduates, past, present, and future, are finding their life occupation in the departments of the General Electric Plant. They are learning that "Progress is our most important product."

The older industries that influenced Tell City's origin still produce their widely-known furniture.

The most recent of industries in our Swiss settlement is the boat factory, which has brought many newcomers to our ever-progressing town.

A street scene of our town is typical of almost any average sized Midwestern community.

We, the class of 1957, wish to dedicate our memory book to our parents, whose unselfish love, devotion, and encouragement have made it possible for us to achieve this glory --

I live for those who love me,  
Whose hearts are kind and true;  
For the Heaven that smiles above me,  
And awaits my spirit too;  
For all human ties that bind me,  
For the task by God assigned me,  
For the bright hopes yet to find me,  
And the good that I can do.

I live to learn their story  
Who suffered for my sake;  
To emulate their glory,  
And follow in their wake;  
Bards, patriots, martyrs, sages,  
The heroic of all ages,  
Whose deeds crowd History's pages,  
And Time's great volume make.

I live to hold communion  
With all that is divine,  
To feel there is a union  
Twixt Nature's heart and mine;  
To profit by affliction,  
Reap truth from fields of fiction,  
Grow wiser from conviction,  
And fulfil God's grand design.

I live to hail that season  
By gifted ones foretold,  
When men shall live by reason,  
And not alone by gold;  
When man to man united,  
And every wrong thing righted,  
The whole world shall be lighted  
As Eden was of old.

I live for those who love me,  
For those who know me true,  
For the Heaven that smiles above me  
And awaits my spirit too;  
For the cause that lacks assistance,  
For the wrong that needs resistance,  
For the future in the distance,  
And the good that I can do.

## BOARD OF EDUCATION

Seated left to right are: Walter Becker, William Ress, and Frank Clemens.

Under the direction of Frank Clemens, President, our school board, including William Ress, secretary, and Walter E. Becker, treasurer, has accomplished many projects during the school year of 1956 - 1957. New lighting and furniture for several rooms in the grade schools were installed. In order to meet insurance and safety requirements, an elementary school had a new fire alarm and exit system installed. Other safety requirements were met in our high school with the installation of a new switch panel and box for the auditorium. Electrical outlets were placed in each room for visual aids. The gridiron field was improved by the reconditioning of lights. The fence, bleachers, and grandstand at Legion Field were painted. The track was curbed. The cafeteria staff welcomed the arrival of new equipment for their kitchen. Plans are now being made for the much-needed painting of our auditorium.

Your board of education and superintendent are constantly planning and studying ways in which they might provide a better educational program for the boys and girls of Tell City.

# SENIOR CLASS HISTORY

This is the class. In exactly 2 minutes 45 seconds, you will find out all you need to know about it. And then, COMMENCEMENT! How it affected their lives and the events which led up to it will now be explained.

On September 4, 1956, one hundred eleven sophisticated, energetic, intelligent, happy, carefree, hard-working seniors walked through the portals of TCHS for the last year. To lead us through this last year, we elected Wilma Miller, president; Dick Kron, vice president; and Helen Anderson, secretary-treasurer. We elected Mr. Walk and Mr. McRae to put up with our gripes and minor difficulties.

Our first big undertaking of the year was the magazine sales. There were two teams, the green and the blue. Eddie Eades and Rosie Gaesser were the captains of the green team and Lorna Eger and Wilma Miller were the captains of the blue team. The green team was the winner. The high salesman for the green team was Betty Werner and Lorna Eger was the high salesman for the blue team. A total of \$2873.10 worth of magazines was sold, which is the highest amount that has ever been sold by this school.

We ordered our calling cards in December and when they arrived in February, we created quite a turmoil as we hurried to trade them.

We also ordered our invitations and the traditional white caps and gowns.

On January 27, the senior girls had a chili supper. It was a huge success and we found our treasury bulging out a little more towards our trip.

The senior boys had a scrap iron drive and added their part to the overflowing sack of money.

On April 26, the annual Senior Class Play was held under the direction of Mr. Otis Saalman. The name of the play was "The People versus Maxine Lowe." There was quite an array of talent displayed by these young thespians.

We were honored by the junior class on May 4, with a banquet and prom.

Baccalaureate was held May 19 in the auditorium with Reverend James McKinney of Tell City, as principal speaker.

On Monday, May 20, Class Day was held with awards going to deserving students. That same evening sixty-two seniors left for the traditional trip to Chicago.

On May 24, Commencement Exercises were held at 8:00 p.m. in the new gymnasium. Jackson C. Raney from Indianapolis was the principal speaker. One hundred two seniors received their diplomas. Our class flower is the carnation. Our colors are light blue and black. For our motto we chose, "Nothing Succeeds Like Success."

As we look forward, we see many trials ahead of us. . . off to college . . . Uncle Sam beckons . . . favorite pastime: job hunting . . . making new friends . . . the "right one" comes along . . . attaining "alumni" status . . . trekking on the road of life . . . the college of hard knocks . . . calculus, psychology, and political science . . . these are the future.

On the preceding page are the class officers, sponsors, and representatives to the student council who are: Jackie Finch, Rosie Gaesser, and Eddie Eades.

# JUNIOR CLASS HISTORY

On September 5, 1955, one hundred twenty-five jolly, giddy, lovable, serious, merry juniors paced into TCHS. Now that we were upperclassmen, we felt a little more dignified.

For our class officers, we elected, Rick Allwardt, president; Wilma Miller, vice-president; and Helen Anderson, secretary-treasurer. We chose Mr. McRae and Mr. Loftis to be our class sponsors.

In November, we held the Junior Carnival, which was a big success. The Class Play, "Weddin' Bells" was held under the direction of Mr. Otis Saalman.

The big event of this year was the ordering of our class rings. We chose the new slant style and everyone was very well pleased when they arrived and we showed them off.

We held the annual class tourney in March. The final game was between the juniors and the seniors. We, the juniors, were the victors.

On May 5, we entertained the seniors with the Junior-Senior Banquet and Prom. A nautical theme was carried out in all the decorations. To prove this statement, there were several tired and worn out kids with just one song in mind, "How Dry I Am"!

As we ended this year, we were looking forward to the next year when we would have finally reached our goal as seniors.

## 1957 JUNIORS

103 juniors entered the halls of Tell City High last fall. Ninety-six students still remained in the spring.

In the fall, the Junior Carnival was held, which proved to be very successful. Also, the Junior Play, which was entitled, "Cupid In Pigtails" was held under the direction of Mr. Otis Saalman. The class tourney was held, with the juniors coming out on top. The annual Junior-Senior Banquet and Prom was held in the spring. Class rings were ordered in October and were received with much enthusiasm in November.

The officers elected to carry us through the year were Ronnie Helton, president; Alvin Howe, vice-president; Carole Kroessman, secretary; and Bob Wetzal, treasurer. Mr. Loftis and Mr. Kramer were the victims who were chosen for sponsors.

On the preceding page are the class officers, sponsors, and representatives to the student council who are: Bea Ann Hubbs, Dave Voges, and Alvin Howe.

# SOPHOMORE CLASS HISTORY

A memorable day of September, 1954, was the day when one hundred twenty-six silly, gay, likeable, gentle sophomores tramped through the portals for their second year.

To take us through this year we chose Dick Kron, president; Lloyd Hagedorn, vice-president; Helen Anderson, secretary; and Sharon Dickman, treasurer.

The one and only big event of this year was the ordering of our class jackets. We ordered the traditional red and white jacket with the year of our graduation on the back. Bright new colors were added to the halls, classrooms, and other surroundings when they arrived in December.

At the conclusion of this school year, we took a class picnic to Lincoln City, which was the last class picnic we had. We were a big happy to leave this year because we were all thinking of the next year when we would return as upperclassmen.

## 1957 SOPHOMORES

Last fall, 146 "sophisticated morons", sophomores, encountered the steps of Tell City High once more. The year got into full swing when they elected class officers. The final statistics proved that Pete Easley was chosen president; Kenny Rowe, vice president; and Karen Embry, secretary-treasurer. Later on these officers chose Charlie Peter, Vicki McFarling, and Joe Kleeman to represent the class on the student council. Mr. Alvey and Mr. Hamilton were selected as the class sponsors.

The biggest event of the year was the ordering and after many delays, the receiving of the class jackets. After adding and re-adding the total amount of our class treasury, it balanced to a flat nothing. CONTRIBUTIONS, ANYONE?

On the preceding page are the class officers, sponsors, and representatives to the student council who are: Vicki McFarling, Joe Kleeman, and Charlie Peter.

# FRESHMEN

# FRESHMAN CLASS HISTORY

September 6, 1953, marked the day of a new experience for 149 green, ignorant, scatterbrained, lazy, backward freshmen. As we skipped through the halls of TCHS, trying to buy study hall books, physical education books, and all other sort of paraphernalia, we created quite a frenzy among our elders, the upperclassmen.

Mr. Hurst called us together for our first class meeting the first week of school. The class officers were Gary Becker, president; August Marshall, vice-president; Lorna Eger, secretary; and Bill Parker, treasurer. Mr. Lowe and Mr. Sprinkle were chosen as our class sponsors.

The athletic accomplishments of our class were outstanding that year. Mr. Cummings coached the football squad to 2 wins and 1 loss. He also directed the basketball squad to 9 wins and 3 losses.

The cheerleaders that we elected were Rosie Gaesser, Sandra Branch, and Ann Oberhausen. They did a very good job of boosting the morale of the team.

At the end of the school year, the annual class picnic was held at Lincoln City.

As we look back, we find some of the things which we encountered our first year . . . our first class party . . . homework . . . bewitched, bothered, and bewildered . . . changing classes . . . that first corsage . . . no recess . . . beat Cannelton . . . junior and senior play . . . algebra . . . real-gone dates . . . paper wads . . . rouge, powder, and paint . . . peroxidized hair . . . this was the green year.

## 1957 FRESHMEN

On September 3, 1956, one hundred fifty-nine eager, green freshmen invaded the halls of dear old T.C.H.S. ready to show--or be shown, who's boss.

Only three class meetings were held during the course of the year. At the first meeting, Mr. Lowe and Mr. Sprinkle were chosen as sponsors. The class officers were elected at the second meeting. They were Don Huff, president; Sonny Conner, vice-president; and Blake Ress, secretary-treasurer.

On the preceding page are the class officers, sponsors, and representatives to the student council who are: Jerry Fischer, Gayle Kroessman, and Sandra Saalman.

FROSH CHEERLEADERS - Judy Bullington, Jane Clemens, and Perk Hammac

## HALLOWE'EN DANCE

All smiles - Jim Brewer and Charlene Ramsey make their grand entrance, prepared to dance till dawn (?).

When the frost is on the pumpkin and the fodder's in the shock - That explains the theme of our Hallowe'en Dance sponsored by the P.T.A. for the students of TCHS in the cafeteria.

Eat, drink, and be merry - Everyone really went for the hot dogs, donuts, cider, and soft drinks that was prepared by the PTA as refreshments, free to all.

Ambling around - It took concentration for some of us to dance, while others fluttered around, laughing, talking, and bothering everyone else.

DEMOS - Eddie Eades, Democratic candidate for mayor, is pointing the good points of the Democrat party as his followers look on. The Democratic candidate for Clerk-Treasurer, Joan Sergesketter and for councilmen, Wilma Miller, Kay Lueking, Martha Zoll, Butch Blackford, and Lloyd Hagedorn.

BEFORE and AFTER - Just as so many of our parents went to the polls to elect "Ike" to the position of President of the United States, so did the students of TCHS cast their votes and express their sentiments. "Ike" being the victor by a 4 to 1 decision.

SMITH for MAYOR - And Smith it was! The student body went Republican again and elected as Mayor, Ronnie Smith; as Clerk-Treasurer, Gary Becker; and as councilmen, Carolyn Pike, Jackie Finch, Augie Marshall, Ray Sibrel, and Lloyd Hagedorn. The latter being the only Demo. These elected officials ran our city for a day!

## BANQUETS

Each year deserving students are rewarded for their outstanding accomplishments. Members of the football team were honored at the end of their season, as were the members of the basketball team. The senior girls were honored by the Kiwanians on Ladies' Night. Later in the year, they honored the senior boys at one of their regular meetings.

Toasts were given by the president of each class. Dixie Davis provided dinner music.

**HONOR STUDENTS** - On May 1, 56 students and their parents were feted by the second Honor Banquet of TCHS. These students had been on the honor roll 4 out of 5 times during the school. Each scholar received a medal denoting their accomplishment. After which, Mr. Bonteque of General Electric presented the address of the evening. These students are (seated left to right): Mickey Boger, Helen Anderson, Amy Goffinet, Mary Peter, Brenda Kleeman, Barbara Rogier, Phyllis Marcilliat, Doris Huebschman, Delores LeClere, Martha Anderson, Rosie Jarboe, Brenda Wills, Diane Splater, Pat Bryant, Betty Werner, and Mary Clemens. Juniors, seniors, faculty members, and their guests danced to the music of Marvin Hicks and his orchestra from 9:00 till 12:00 p.m. on May 4 at the K. of C. Home, following the annual banquet given in honor of the seniors. The dance floor was gaily decorated with sparkling stars, a large moon, and a weeping willow beside the clear fish pond.

Get on the Band Wagon - A slogan heard by many Tell Citizens (and obeyed!) as band parents and members canvassed the town selling their band booster pins in order to provide financial aid for the oncoming trips to Alabama and Wisconsin.

## BLUE-GRAY GAME MONTGOMERY, ALABAMA

On December 27, 1957, eighty band members, nine chaperones, and fourteen band boosters left Tell City for their long-awaited and hoped-for trip to Montgomery, Alabama. After four exciting, exhilarating, and exhausting days, the proud ones returned home to a champion's welcome. "Everything in town that made noise" really cut loose hailing the pooped performers, chaperones, and boosters for "a job well done".

On June 25, 1957, these same musicians will journey to Milwaukee, Wisconsin, to provide entertainment at the National Jaycees Convention. The Marching Marksmen will be the only band representing Indiana.

Let's Dance - (To see it was to appreciate it) Two giants, clad in red and white, perform a graceful giants' dance, then dissolved into a high-crowned Mexican sombrero. . .A huge fan, tied together with streamers of crepe paper, opens slowly across the field while the notes of "Blue Danube Waltz" were lifted by a brisk and chilly wind to the rim of Cramton Bowl. . .Bowling dancers, their brass instruments reflecting the bright winter sun, cut a rug to the tune of an old-timey hoe-down, then jogged into position for an abbreviated bit of boogie woogie.

TCHS Band Seniors form a TC insignia. BACK ROW, (left to right) in the cross bar of the "T" are Wanda Mullis, Emma Dauby, Beth Herrmann, Sharon Feix, Diane Darden, Judy Olberding, Ann Hargis, Rosie Gaesser, and Lorna Eger. Starting at the back in the remainder of the "T" are Peggy Horlander, Joan Sergesketter, Euna Conner, Chris Freeman, Darel Hess, Jackie Finch, and Mary Alice Harpenau. The boys forming the "C" are: BACK ROW: John Kessler, Ronnie Schriefer, and Gary McMahon; MIDDLE: Paul Glenn; and FRONT ROW; Bob Kramer, Joe Hudson, and Allen Boger. These twenty-three seniors were unique in that every instrument in the band was represented. Because of this they were privileged to present a special number to the public during their last concert.

Band Council - These band members are elected annually by the members of the band to represent them in making important decisions for the band. LEFT to RIGHT are Sandee Pavey, junior; Carole Kroessman, junior; Karen Embry, sophomore; Lorna Eger, senior; Euna Conner, senior; Bob Kramer, senior and band captain; and Bill Dreyling, sophomore. They are pictured in the band room in front of the bulletin board which contains correspondences, news items of interest, pictures, and the demerit chart.
