Board of Education

Contributes Valuable Leadership

William Ress, right, has served as president of our Board of Education during the school year 1957-58, ably assisted by Walter Becker, center, secretary, and Leo Hagedorn, left, treasurer. Several progressive projects have been undertaken during this time, including: the redecorating of the high school auditorium by panelling the side walls and painting the remainder; three rooms were equipped with dark curtains, for visual aid purposes; the roof of the high school building was re-coated; the home economics department was completely remodeled; several rooms in the elementary buildings were painted; science materials and equipment were purchased for all buildings; three new teachers were added to the high school staff, and one new teacher to the elementary staff, to help take care of the increased enrollment.

A new venture is being planned for the 1958-59 school year. It is educational television. Many large school systems have had successful programs of this type. The Tell City Schools were asked to join with 15 other Southwestern Indiana systems to institute educational television on an experimental basis. The Board of Education and Superintendent of Schools, in an endeavor to continue their progressive policy, have decided to participate. Courses to be taught are science, grades 5 and 6; science, grades 7-8; English, grade 9; United States History, grade 11; government and economics, grade 12.

This will be purely an experiment, mistakes will be made, but we, the students, appreciate the fact that our leaders are trying to help us get a start in life.

IN MEMORY OF

William Joseph Alvey was born July 30, 1940, to Leslie and Martine Alvey.

"Bill" attended St. Paul Grade School for eight years. He then attended St. Meindred Seminary for one and a half years; he came back to Tell City in the last semester of his sophomore year.

Bill was in his junior year when suddenly killed in an automobile accident between Tell City and Troy.

We would always see him in the halls of T.C.H.S., with a smile and pleasant greeting for everyone, and was liked by all. His hobby was working with wood, and his ambition was to be an atomic scientist.

We are sure if Bill was still with us, he could make his dreams and ambitions come true.

Our School Home

Senior Class History

Our four years at TCHS began when Mr. Hurst, our principal, called us together for a class meeting in September of 1954. Mr. George Bell and Mr. Ray Kennedy were our advisors. Our class-officers were: Carole Kroessman-president, Sandra Ramsey-vice president, Pat Lautner-secretary, and Karen Peyton-treasurer.

Exactly 111 sophomores returned in September of 55 to select Mr. Schubert and Mr. Hagan as advisors. Officers were: Gary Bretz-president, Pat Lautner-vice president, Carole Kroessman-secretary, and Bob Wetzel-treasurer.

Activities for our sophomore year included a dance, bake sale, and choosing our class jackets.

In the fall of 56 we started our junior year with 103 members. Mr. Kramer and Mr. Loftis were chosen as our sponsors, and for officers we chose: Ronnie Helton-president, Alvin Howe-vice president, Carole Kroessman-secretary, and Bob Wetzel, treasurer.

This year was the time for the class play, junior carnival, choosing our rings, and the prom.

On September 3, 1957, there were 97 seniors to enter for their last year. We chose Mr. Walk and Mr. Saalman as our advisors. Bea Ann Hubbs was selected as president, Alvin Howe-vice president, Linda Haller-secretary, and Judy Poehlein-treasurer.

This was a very busy year. We began with magazine sales, setting a new high for the school. We ordered calling cards, put on a play, were honored by a prom and banquet. Class day was May 19th, Baccalaureate services were May 18th. The senior trip began the 19th, and graduation was May 23, with 90 students leaving for their last time.

These are: Helen Alvey, Bonnie Amos, Mildred Bruggeman, Barbara Devillez, Pete Easley, Larry Frolich, Mary Harpe, Alfred Henning, Gary James, Lowell Kellmans, Jane Kieser, Joe Knabel, Betty Phalen, Wanda Rearden, Charles Shaad, Wanda Schank, Carolyn Sims, Roy Sturgeon, Nancy Wheeler, Ruth Williams, and Ruth Yates. To lead us through this year we choose as our class officers, Karen Embry, president; Jim Lamar, vice president; Phyllis Marcilliat, secretary-treasurer. We chose as our advisors Mr. Arlin McRae and Mr. Kramer. From each junior homeroom a class member was selected to represent that group in the student council. These were-- Bill Dreyling, Gail Tribble, Barbara Rogier, Joe Kleeman, and Jim Elder.

Our first big event was the ordering of the class rings. These were watched for by the whole class with great anticipation until after Christmas. When they finally arrived, we received them with great joy.

The second big event was the Junior Carnival, which was held to put a little money into the treasury. After the carnival, a dance was held in the cafeteria where a junior carnival king and queen was crowned. Pat Jarboe was elected the queen and Louis Dauby was elected king.

The Junior play was our third big event. It was a three-act comedy entitled "My Little Oscar." This was put on by the Junior Class in November in the auditorium.

We also had a bake sale to raise money.

The big event of the year is the Junior and Senior Prom and Banquet which was held May 10.
