On its way to Tell City in July, however, the statue and the van it was in were stolen from a hotel parking lot. Both were later recovered in Cleveland, Ohio and arrived in time for the Schweizer Fest.

## NEW

MORNING

Where do we begin to recapture the images and emotions of a year in the lives of so many people ... on the football practice field at dusk of an August day while heat lightning flashes silently in the clouds looming far off in the distance, . . . in a dimly lit crowded corridor before the beginning of school while we stand around and chat about weekend experiences, . . . in the bleachers of Legion Field on a pleasant autumn night while the band performs a renditiop of Rossini's "William Tell Overture," . . . in an uncomfortable classroom, blowing hot and then cold, while we doodle on a notebook as the instructor describes the anatomy of a worm, $\ldots$ or in the chairs of the graduation ceremony late in May, as we thoughtfully reflect upon the last twelve years and the next ten?
The yearbook staff had to decide where to begin the 1980 Sagittarius with a theme that could recount for everyone the moments of the 1979-80 school year. After looking at several possibilities, we decided to use the theme "New

Morning" from a song by Bob Dylan. What theme could better describe the beginning of a new decade than that of "New Morning?"

The past year was the morning of a new decade which, like all mornings, bred all the uncertainty of a new day. And as morning began to pass, the staff began to prepare the following pages in an attempt to capture a small piece of everyone's life during the year.

Clockwise from upper left. The hill, as it simply became known as, was definitely a colorful characteristic of TCHS throughout the expansion project. In this photo, several students take time out to observe the monotony of school life in the shade on the hill.

## SUMMING-UP THE HIGHS AND LOWS

Ten years ago, January 1, 1970 ushered in a new decade of pessimism and turbulence. Most of the class of 1980 was still in second grade at the time when lunch money and Batman's predicaments seemed to be our only worries. We, in general, were quite oblivious to the plight of the world around us. But now, being young adults, it is easy to look back and objectively see just how much the times were changing during the past decade.
Nationally, it was a healing period from the 1960's, although many old and new sores were opened. Dissatisfaction and disillusionment from Kent State, Vietnam, and Watergate seemed to be the rule instead of the exception.

In the 1970's, we saw the American love affair with the large car come to an end. Long gas lines appeared in 1973 and 1979 because of an Arab oil embargo and the Iranian Revolution, respectively. Of all the problems, this was probably the most obvious to students who saw gas prices rise from 25-35 cents a gallon in the early 1970's to \$1.10 in 1979.

Students also witnessed the end of the draft, a beginning of "detente" with the Soviets, the bicentennial, the recognition of China, and the taking of 50 Americans hostage in the embassy in Iran by radical "students."

Locally, the 1970's was a period of growth. The high-rise apartments were opened for the elderly, the Highway 37 improvement began, and the southern end of town along Highway 66 found the arrival of new shopping centers and nationally-known restaurants.

The massive school expansioh and remodeling project began in the late 1970's. Although some has been completed, the entire new facility will not be fully operational until September of 1980 or beyond. The project, an $\$ 11$ million facelift, probably has had
the most imposition, besides gas prices, on students in many ways, be it the loss of the library, auditorium, or the re-location of classes.

All the events of the past decade, whether they were nationally significant such as the end of the Vietnam involvement, or just locally impressive such as the addition of McDonald's to the area restaurant chains, made some imprint on our lives that affected us then, and will continue to influence us into the 80 's.

Amy Elder reaches the summit of the freshmen's pyramid during one of the many pep-sessions. School spirit was rejuvenated this year with the success of the football team.

Proving that the female is just as strong as the male, these girls do push-ups in Mr. Day's class.

Eleven million dollars was pumped into the school remodeling and expansion project which began in 1978. The new building, which includes vocational classrooms. swimming pool, and a new gymnasium. was constructed east of the original building on the area that was once 13th and 14th streets.

Filling the air with that Christmas cheer, these students of French limber their vocal chords by singing carols en francais. Standing left to right include Cathy Graham, Sara Wilson, Wendy Ward, Julie Cassidy, Anne Alvey, Jerri Noble, and Donna Kluesner, while Mrs. Horn accompanies on the piamo.

## THE MARCHING OF TIME

$\boldsymbol{A}$ new year with its excitement and uncertainty swept up the world and, particu;arly, the students of TCHS as never before.

As pessimistic and as turbulent as the 1970's had begun for our country, so began the 1980's. The power and prestige of our nation were challenged unlike any time since 1941. Within just the first month of the new decade, many of the accomplishments of the last ten years seemed to fade before our very eyes. President Carter asked for the reinstatement of the selective service registration which legitimately had those age

18-26 worried. "Detente," SALT I, and SALT II appeared to be forgotten as the two super-powers entered into a neo-cold war climate.

However, on the homefront, life continued on its course. The students seemed aware of the world's problems, but acted somewhat apathetic towards them.

In comparison, students were more enthusiastic about the events occurring directly around them. They were more excited about the sports program than in the past five or six years as the fans followed the football team to the semi-state. The pep-club was also more boisterous with a large membership.

As the building program developed, students moved into the remodeled cafeteria as well as the home ec rooms. The renovated auditorium with carpeting and new cushioned seats was a pleasant sight to see compared to the squeaky floors and carved-up wooden chairs of old.

Yes indeed, things were looking up for the students and faculty in 1980, just as long as they did not look out too far. Nevertheless, it was truly a new morning for people, events, and places, and we all arose to greet it in one way or another.

## BRINGING IN THE MOOLA

Many students at Tell City High School found that they preferred part-time jobs to extra free time. Jobs ranged everywhere from cooking food in a restaurant to pumping gas at a gas station. Equal in variety were the reasons for which students worked. Some worked to maintain cars and to meet the rising cost of gasoline, while others worked to prepare for college or future trips. Still others, though, worked simply to achieve the satisfaction of having plenty of extra spending money.

## ELECTION FEVER

November 6, 1979, the date of the election, was a day of much excitement in Tell City. This excitement encompassed many of the students of Tell City High who received excused absences from classes to support their candidates. The students braved low temperatures and chilling winds in order to pass out literature and to carry signs for their candidates.

Mrs. Marilyn Scott, a teacher at the high school and the public
relations director of the Democratic Central Committee, stated that this overwhelming support by the students may not have affected the outcome of the election, but contributed much color to it. She also added that the student participation helped to spark city interest in the election.

## NOËL

As in past years, students received a two-week vacation for the Christmas holiday. During December, students anxiously awaited the onset of the holiday season. Dances, parades, get-togethers, and last minute Christmas shopping were all a part of many students' extra-curricular activities.
The Tell City Christmas Parade was one of the high-lights of these activities. Sponsored by the downtown merchants, Cookie Monster, Frosty the Snowman, and Santa Claus all made their appearances. The day of the parade was a warm, sunny, pleasant day. But, despite the fact there was no snow, the atmosphere was filled with holiday spirit. Students marched in bands, rode on floats, or just walked along with the parade.

"What happened to the snow?" is what Frosty seems to be saying about the sunny day of the parade.

All people, young and old, had their eyes focused on the Cookie Monster as he strolled down Main Street.

## A DREAM COME TRUE

The 1979-1980 homecoming queens were Annette Evrard and June Schaefer. Annette, escorted by Jim Dauby, was the football queen and June, escorted by Pat Goble, was the basketball queen.

The candidates for the football queen were four senior girls: Annette Evrard, escorted by Jim Dauby; Donna Kluesner, escorted by Bob Tuggle; Cheryl Mills, escorted by Brad May; and Valorie Ward, escorted by Jeff Wrye. The girls were nominated by the members of the football team and were voted on by the student body.
The football homecoming class attendants were: junior, Betty Davis; sophomore, Katie Malone and freshmen, Sami Giltner. The attendants chose their own escorts who were Bryan Hays, Mike Labhart, and Larry Devillez respectively. The attendants were cho-
sen by the members of their own class.

There were four senior girls nominated for the basketball homecoming queen. They were June Schaefer, escorted by Pat Goble; Louanne Seibert, escorted by Bob Tuggle; Lisa Hunt, escorted by Mike White; and Colleen Berry, escorted by Marty Lautner. The graduation ceremony of the class of 1980 was held on the evening of Friday, May 23. Because of conflicts with other events, this was a break from the recent tradition of having the commencement on a Sunday afternoon.

Rain, like last year, moved the ceremony indoors to the Bryan Taylor Sports Arena.

Spectators filled the arena to the brim to watch 168 seniors receive their diplomas.
Speeches were given by six members of the class. They ranged from "this is our beginning" to an appeal to become involved with politics.

Michele Middleton gave the salutatory address while Keith Kemp gave the valedictory speech.

Other speeches were delivered by Alan Bradley, Richard Biever,

Cathy Conen, and Susie Roberts. President Mike White welcomed the crowd with a short address while Rev. Edward W. Schadt gave the invocation and the benediction.

The band provided the music with the traditional processional and recessional. They also played "America" and "Tell City, We're Mighty Proud of You."

The most touching part of the ceremony was when Jerry Byrd,
aided by two fellow classmates, walked up to receive his diploma. He received a standing ovation from the crowd. Jerry suffers from cerebral palsy and was confined to a wheel chair much of the time.

The class motto for the seniors was "Reach for the heavens, And hope for the future, All that we can be, Not what we are." from the John Denver song, "The Eagle and the Hawk."

## A THKLE TICS

For ardent Tell City sports fans, the 1979-80 school year resembled a weather map with its many highs and lows.

The football team rampaged the Southern Indiana contingent. The stout-hearted players became the highest advancing team in the playoffs in Tell City history.

Other teams, after years of past success, such as the cross country and track teams, experienced offseasons.

Although there were a few highlights, the harriers suffered a frustrating loss to Jasper by one point in the sectional. It was the first time in seven years that Te had not won that meet.

The track team suffered from a lack of participation. The team only took eleven members to the SIAC meet to compete in fifteen events.

Finally, after another successful regular season, the basketball team bowed out to South Spencer in the second game of the sectional tourney.

Head Coach Bob Lochmueller stepped down from his position after being at the helm for fifteen years.

Despite an increasingly smaller enrollment and some up and down seasons, Tell City remained a predominate power in 1979-80 sports.

there came stampeding masses of bone and flesh which tracked across a raindrenched field. The stage was set; this was the showdown. The winner of this game would take the semi-finals crown and advance to the state finals. It was November of 1979 in Noblesville, a city far to the north.

Unfortunately, the wet field conditions made it difficult for the Marksmen's game to get off the ground while Noblesville's power game, steamrolled down the field. The game remained scoreless throughout the first half, but then, late in the third quarter Noblesville put six on the board. In the end, Tell City suffered a $12-0$ loss. Noblesville was later beaten in the state finals by Blackford.

Although Tell City lost in the semi-finals, the playoffs could be labelled "their finest hour." The week before, with a large enthusiastic hometown crowd for support, the Marksmen ran and passed their way for 26 points while keeping Providence scoreless. The team, according to Coach Bud George, really peaked for this game. He noted that three or four members played an outstanding game.

Overall, the team compiled a 9-3 record and went $8-2$ in regular season. One of these wins was a big one against Triple A Bosse which kept Tell City in the playoff contention. The Marksmen beat the boys from Evansville who had been
ranked fifth in the state at the time, 17-14.
Although the team had an excellent season, they failed to win the SIAC. Jasper won the conference while Tell City tied with Boonville for second. Jasper beat Tell City earlier in the season, 21-14, at Jasper in the annual classic.

Brad Peter led the way for the Marksmen much of the year. The powerful junior was the leading scorer with 13 touchdowns. "Pete" compiled over 1600 yards rushing, 400 passing, and 300 with punt and kickoff returns. He broke the school record for the total number of yards which included, though, the two playoff games.

Kelly Malone tied the school record for the most touchdown receptions with twelve.

Bob Carter and Peter were named as UPI allstate performers. Five Marksmen, Carter, Peter, Malone, Dave Coultas, and Pat Goble were named to the AP Honorable Mention all-state performers. Those named as all-conference were Malone, Peter, Goble, Carter, Coultas, Brian Steen, and Todd Pannett.

Peter received the offensive MVP while Pannett and Tim Holman shared the defensive award.

Coach George summed up the season by stating, "It was really a tremendous season. It was one the guys can be proud of for years to come."

The frosh and reserve teams did not enjoy as much success as the varsity. The freshmen squad went $3-4$ while the reserves were 0-4.

## FOR A FOOTBALL CROWN!

Calling the plays in a football game is sometimes as strategic as calling the operation during war. Here, Gary Morton, reserve coach, gives a play to Louie Holman.

A pass zips by the nimble fingers of a Tell City defender after lofting high into the air in hopes of obtaining a deflection or an interception.

"It was a year of seconds for us." summarized Coach Bob Busse about the cross country season.

The Marksmen harriers finished second in five out of eight of their big meets. Finishing second in the SIAC, the sectional, the regional, and such invitationals as the Owensboro and Lincoln Trail, TC managed to break their second place streak by finishing first at the Princeton Invite.

Following their second at the Jasper regional, the team fell to 13th place from a 16 team field in the Bloomington semi-state. Aside from some poor performances, Tim Moman, consistantly the third man, did not run in the race due to a sudden illness.

Individually, Richard Biever proceeded to the state meet at In-

Biever also became the fastest Tell City harrier in the two and one half mile run on Bryan Park in Bloomington at the semi-state. He turned in a 12:15.4 time which broke the old record of $12: 15.8$ set by Bill Lain on the same course in 1976.

## JES' PUTTIN' AROUND

The TC Golf team had a season record of 8-11 with one meet ending in a tie score. In conference action, the Marksmen placed 16th out of a 17 team field. The team placed 9th out of 20 teams in the Sectional.

The best match of the year was against Evansville Harrison during which the Marksmen gathered a total score of 201 to win the 9 hole course. Duane Schaefer was named the Most Valuable Player for the year.

The girls' basketball team ended their 1980 season with a 7-11 record. The team beat Heritage Hills in the first game of the Sectional only to be defeated by Boonville in the finals. In regular season play, the Marksmen played a very competitive game against Jasper although losing by five points. On the floor, Teresa Lamb led the team in scoring with a high-game score of thirty points. Lamb also received the award for the most field goals. Joyce Evans had the best free throw record. Carla Snyder brought down the most rebounds for the year.

In a game against Hancock County, forward Keith Kemp scores two as he outreaches a Hornet teammember.

Up in the lights, Paul Mullis hits a basket to chalk up two points.

Highliting their season by defeating Mount Vernon which had compiled a $9-0$ record, the Marksmen Varsity basketball team had what Coach Bob Lochmueller said, "the lack of team leadership caused some inconsistancies in playing which kept the team from having an outstanding season. As it was, we had a very successful year." The overall season record was 14-8 while a SIAC record of 9-3 allowed the Marksmen a ranking of third in the conference.
Two ballplayers, Keith Kemp and Paul Mullis, were named to the All-Conference team. Mullis had the best field goal percentage with a $53 \%$ while also copping the best freethrow percentage with a total of $73 \%$. Keith Kemp had the most rebounds and Dwaine Saalman was receiver of the Sportsmanship Award.
In the Boonville sectional, the team defeated the hosts in the first game on Tuesday, March 4. Unfortunately, South Spencer spoiled the Marksmen's hope of advancing to the final game by defeating Tell City on Friday night, March 7.
Following the close of the season, Coach Lochmueller stepped down from his position at the helm. He had coached Tell City for fifteen years while compiling a .728 winning percentage at TC.

## AWW! SHOOT!

Although the Frosh Marksmen had a season record of 8-10 the greenhorns played several very competitive games. In the first round of SIAC action, TC lost to Jasper. One week later, the Marksmen lost to Jasper by only two points in what Coach Gary Katterhenry termed, "a very good game".

In the last game of the season the Frosh beat Forest Park, a team which had lost only three games in its entire season. Coach Katterhenry said of his team, "We were a good team defensively, but our poor ball shooting kept our team from having a successful season."

With a tight upper-lip, Larry Parker gets ready to shoot over the heads of his Bosse rivals.

## MAT <br> MANIA!

Having a SIAC record of 3-6, the Marksmen grapplers finished their season with a 6-7 record overall. As a team, the Marksmen finished third in the Sectional, twelfth in the Regional, and tenth in the Semistate. The year's highlight occured when TC defeated powerhouse Evansville Central for the first time in eight years. Individual highlight included Dave Coultas advancing to the Semistate with a third place showing. Dave also set a new dual meet record of 18 takedowns. Other individual performances were John Tuggle winning the Sectional and Brian Hays being named to the All-SIAC team. Coach Gary Morton said about his team, "With only two seniors we had a very successful year. The 27 underclassmen give the future program a bright outlook.".

Having a tough time of it, Chris Goffinet struggles against a North opponent.

## OFTEN, THE SIZE DOES COUNT

In sporting events, many times the size does not count, but it sure can't hurt. Such was the case with the 1980 track team.

Handicapped with only an eleven man conference team to spread over fifteen events, Tell City scored 65 points to place fourth in the meet at Jasper.

However, as Coach Bob Busse explained, "Fourth is no place for a Tell City team." No truer words were ever spoken. Case in point: the Marksmen, over the past decade, have either won the meet or finished second. The deficit, as well as a powerful Jasper team, was just too much to overcome. Mt . Vernon and Boonville also placed ahead of TC.

Tracy Minto was the only first place finish in the conference for TC with a jump of 20 feet 4 inches
in the long jump. He also placed fourth in the 300 meter low hurdles and was on the third place 1600 meter relay team. He was the only all-conference performer from Tell City because of his first place.

The leading scorer in the conference was Richard Biever with two seconds in the 1600 meter run and 3200 meter run. Jasper's Pat Cassidy won both events.
Other conference placers were Barry Taylor, fourth in the shot, Joel Welsh, fourth in the discus, Tim Holman, second in the high jump and sixth in the long jump, Brian Davis, fourth in the 400 meter dash, and Craig Blandford, third in the 3200 meters. Davis, Tony Thomas, and Melvin Mulder were the other three members of the 1600 relay team

with Minto.
Richard Biever was the only Marksman to place in the regional at Bedford with a sixth in the 3200 meter run in 9:30, only three seconds from a converted record. This was the first year for meters. Those old records in yards that can be easily converted will remain.

Tim Holman in the high jump and Joel Welsh in the discus also qualified for the regional but failed to place.

Holman placed fourth in the Evansville sectional. Welsh and Biever both placed third in their respective events.

Tim Holman broke the only outdoor record this year by jumping 6 feet 5 inches in the high jump at the Pike Central Relays. He also tied the indoor high jump record at 6 feet 4 inches.

Mark Hildebrandt set a new indoor record in the 300 yard dash with a 33.3 time.

Biever and Holman received the most valuable performer awards for running events and field events.

Team highlights, though rare as they were, included an eighth place finish in a field of 22 schools in the sectional, and a fifth place finish in the Daviess County Invitational with 32 points.

The frosh team placed sixth in their conference meet behind the efforts of Marty Sweat and Don Zuelly. Both placed in three separate events to lead the Marksmen. With only six on the team, like the varsity, the frosh suffered from a lack of depth.

The girls' track team ended the season with a 5-4 record in dual meets while placing third in the SIAC and fourth in the sectional, both at Jasper.
The young team did very well behind the efforts of several record breaking performances. However, freshman Teresa Hildebrandt was Tell City's only first; she took the blue in the 200 meter dash.

Hampered with a nagging back injury in the SIAC and the latter part of the season, Lisa Ramsey
was the team's leading performer throughout the year. Lisa, the only senior on the team, set three school records in the high jump at 5 feet 2 inches, the hurdles in 14.7 seconds, and the long jump with a 16 foot $31 / 2$ inch jump.

Manette Rudolph and Lisa Lambert also placed in the sectional. Manette, who finished third in the shot put, qualified for the regional. Manette and Lisa both placed in the discus as well.

Lisa Ramsey won two events in the sectional but failed to plac in either the hurdles or the high jump at the regional.

Two relay teams also qualified for the regional. The 800 meter relay team, which took a first in the sectional, placed fourth in at the regional. Composed of Hildebrandt, Katie Malone, Sue Mulder, and Cindy Tucker, the team contributed the only TC score in the regional.

The 400 meter relay team of Malone, Mulder, Amy Kleeman, and Tucker placed second in the sectional. They failed to place at Bedford, but did manage to set a new record of 52.4 second.

Other records set this year included the 800 meter relay team

in 1:49.4, Lisa Lambert in the discus with a 97 foot throw, Stephanie Busse in the 400 meter dash with a 65.2 time, and Lenore Borders in the 800 meter run with a 2:38 time. The latter three were all frosh this year.

First year coach Mike Kennedy seemed pleased with his team's performance this year. The young team offers great potential for the future "if they can stay healthy and stay out for the team their junior and senior years," noted Kennedy.

Warming up for another tennis match, Lou Ann Minto concentrates on the oncoming ball.

In Coach Jody Patterson's words, "It was by far our best season in eighth years". The girls' tennis team ended with a season record of 13-3. Three players, Lori Aldridge, Joyce Evans, and Lou Ann Minto, also had individual records of 13-3. In doubles action, Annette Snyder and Teresa Lamb were the only Marksmen to advance to the quarter-finals in the Sectional. Lamb was named the Most Improved Player while Mary Grace Ramsey was named the Most Valuable Player.

With volleyball, the Marksmen had a season of 7-11. The team was beat in the first match of the Sectional by Boonville. Receiving awards for the year were Teresa Lamb, the most valuable player, and Katie Malone as the most improved player. Coach Michael Kennedy said of th team, "We all look for better things in the next year with our young team.".

The 1980 baseball season was one of the finest ever by a Tell City team. With a final record of $14-8$, the team tied its best winning percentage of last year; in 1979 the team was 15-9.

The diamond crew captured the sectional at home, but lost out to Evansville Bosse in the opening game of the Si I Spencer regional, 9-6.

During the sectional they whipped Crawford County $16-1$ in the first game and came back to defeat Perry Central, 6-3 in the final.

Teamwise, a new record was set for the batting average with .288 by gathering 167 hits in 579 at bats.

Individually, Jay Morgan led the team. Morgan set a new record for fielding with a .993 average; he only commited one error the entire season. He scored more runs this season than any TC player had before, as well as tied the record for extra base hits.

Jay also was selected to the prestigious South All-Star team. Charlie Miller was the only other TC player named to the team since its beginning in the mid'70's.

Other records were either set or tied by Keith Pierrard, Bob Tuggle, and Rob Braun.

Pierrard tied two other players for runs batted in. He had 22 RBI's this season.

Braun tied the record for most base on balls with 20 , while Tuggle broke the record for fewest strike outs by a player batting over 60 times a season. Tuggle was only fanned five times in 69 official trips to the plate.

Morgan led the team in batting with a .344 average. Gary Werner was second in batting average with a .333 .

Dwaine Saalman led the pitching department with a 2.00 earned run average per seven innings. Saalman displayed a 6-2 record in 42 innings pitched.

Morgan, though, was the workhorse for the staff by pitching 71 innings. His final record was 7-4; his ERA was 2.37 this year after pitching a 1.49 last year.

## FROM LEGENDS TO LINKING VERBS

A person cannot hope to get along in this world without the ability to communicate with others through use of the English language. The English Department, which was headed by Mr. Robert Waters, offered a variety of ways for students of our high school to explore the different meanings and uses of our language.

General courses were offered on the freshman and sophomore levels, while upperclassmen could choose between academic or general courses.

The instructors in the English Department were Mrs. Sharon Buckman, Mrs. Sandra Kramer, Mrs. Rachel Holtzman, Mrs. Peggy Lake, Mr. Bob Waters, Mr. Cliff Miller, and Mr. Mike Spencer.

## OF THE FOURTH ESTATE

This year, Tell City High School students saw the revival of both the journalism class and The Marksman, the school newspaper. The class and newspaper, which had lain dormant for a year due to a lack of student interest, were revived under the direction of teacher-advisor Mr. Robert Waters. The seven students who made up the class were Richard Biever, Sara Wilson, Mike Heck, David Watts, Mark Mosby, Jane King, and Diane Dooley. These few students did a fantastic job of putting the newspaper together and distributing it throughout the school.

Unfortunately, due to a continued lack of student interest, the future of both the class and newspaper is dim. It is doubtful that the journalism class will again be revived in the near future. Nevertheless, these students still deserve the best of congratulations in doing their part to recreate The Marksman, however short a time it may have been

## MUSCLES AND MOTORS

A sound mind is helped by a sound body, and Tell City High School did its best to give the freshmen sound bodies. As any freshman can confirm, calisthenics and rough physical games were a daily staple of the gym classes.

An interesting sidelight this year was that due to the building program, the girls' and boys' P.E. classes often participated with each other in the same activities.

The instructors were Mr. Bob Lochmueller, Mr. George, and Miss Jody Patterson, who taught girls' P.E.

A sound body also came by way of the health class, where students learned about the workings of the human body. This course was taught by Mr. Bob Lochmueller.

Driving, and important staple of a person's social and practical life, was taught by Mr. Gary Katterhenry. Students in this class spent both time in the classroom learning learning safe driving techniques and time in cars practicing their driving skills.

## THE MAKING OF A MASTERPIECE

The Art Department had much to offer to those students who desired to improve their artistic skills. The students, who were taught by Mrs. Janet Hatfield, were able to work their way through four different levels of art - Art I, Art II, Art III, and Art IV. Students learned techniques of drawing, painting, and design. Also, a wide variety of projects were covered. Students painted with acrylics, drew with pencil, worked with clay, designed and made their own latch-hook rugs, worked with mixed media, and much more. As a sidelight to the classes, many art students entered their art projects in the annual Tri Kappa Art Show, which was held at the Tell City Public Library. Also, Steve Finlay, a junior, entered several of his drawings in SAM '80, Ivy Tech's annual seminar on art and media which was held in Evansville, Indiana. Steve came away with an impressive third place in the drawing category.
He and Richard Biever entered several pieces of their work in the Jasper art show, too, which included works from high schools in the area. Biever took a second in the opaque painting category and an honorable mention in the crafts category.

## Space

With business playing an ever increasing role in our lives, many students found this to be a workable alternative to the usual academic curriculum. Students in these courses were able to learn the basic functional secretarial skills that would be needed for a job.
The various courses which were offered were typing, general business, distributive education, shorthand, and bookkeeping.
The instructors were Mr. Bob Busse, Mrs. Ginger Krieg, Mr. Steve Whitaker, and Mrs. Pauline Marshall, who also served as chairman of the department.

# FROM BATTLES TO BALLOTS 

With the coming Presidential election, many students took a new interest in the government and its role in our lives. These students found all the information they wanted in the Social Studies Department, which was headed by Mr. Richard Roos.

Among the courses offered were psychology, economics, anthropology, sociology, world history, and introduction to social students. Also, all students were required to take U.S. History and government before graduating.

The instructors in this department were Mr. Richard Roos, Mr. Cliff Miller, Mr. Raymond Carver, Mr. William Hintzen, Mr. Garry Morton, and Mrs. Marilyn Scott.

## I GOT RHYTHM

This year, the band, which was directed by Mr. James Ashby and by assistant director Mr. Gary Hoover, was made up of 140 members. Due to bad conditions which resulted from construction and the band's extensive marching, the band did not have time to fully prepare for a concert. Nevertheless, they succeeded in putting on a spring concert in cooperation with the chorus.

The chorus, however, had more time to perform. Led by Mr. Hoover, the fifty-three member group sang for a Key Club convention, the Kiwanis Club, and the National Honor Society in addition to the spring concert. They also sang at the Honor Banquet and gave two convocations for the high school students.

## NUMBERS, NUMBERS, NUMBERS

A person cannot survive in today's complex, technological society without a firm grasp of mathematics. At least one year of either general math or algebra is required for every student, and for college-bound students, three to four years of training is strongly recommended. Even in most of the advanced science courses a strong background in math is a must.
Among the diverse math courses offered were basic and advanced algebra, general and commercial maths, and calculus and trigonometry.

Instructors include Mr. Allen Kramer, Mr. Louis Hall, Mr. Pat Richardson, Mr. Michael Kennedy, and department chairman Mr. Bob Day.

## SQUARES, TORCHES AND TOOLS

This year the Industrial Arts Department offered much to those students who desired to further improve their woodworking, mechanical or manual skills.

Students could take courses in woodworking, metalworking, crafts, or graphic arts. Students were also offered courses such as power mechanics, electricity, and
general and advanced mechanical drawing. The department was made up of four teachers. Mr.

Kenneth Dyer, the Department Chairman, taught general and advanced mechanical drawing, and Mr.
Snodgrass taught power mechanics, electricity, crafts, and graphic arts. Also, Mr. Omer MeClere taught crafts and general and advanced woods, while Mr. Lloyd

## ANATOMY, AND AMPS

Scientific knowledge is vital to most people as a basic ingredient for functioning in today's everchanging society. For those students with an interest and skill in science many courses were offered. The Science Department, which was headed by Mr. Ben Varner, was divided into courses which dealt with the life sciences such as biology and advanced biology and classical sciences such as physical science, general and college chemistry, and physics.

The instructors in the Science Department were Mr. Ben Varner, Mr. Tom Byrd, Mr. Mike Barnett, and Mr. Pat Richardson.

## LEARNING A TRADE

The Vocational Education Department, which was headed by Mr. Neal Pedro, offered four different programs mainly to those students who wished to train for jobs which they could fill right after high school. Mr. Gilbert Dailey taught the I.C.E. program, and a distributive education program was conducted by Mr. Steve Whitaker. A health occupations program, which was taught by Ms. Cheryl Harris, was conducted daily at the Perry County Nursing Home and the Perry County Memorial Hospital. Also, Mrs. Wilhelmina Schmidt taught the Intensive Office Laboratory in Cannelton, while Mr. Robert Day held a class in construction trades.

In addition to these programs, the Vocational Education Department offered counselling for students in the areas of English and Math. The instructors in this area were Ms. Carolyn Cockerham, Ms. Karen Paulin, and Ms. Joan James.

## BASTING, BAKING, AND BABIES

The Home Economics Department offered a wide variety of courses to students this year. Courses ranged from Foods I to consumer education. Students could choose to learn skills such as cooking, sewing, home designing and decorating, and child care. In several classes, students also get a chance to take a look at classroom subjects around Tell City. The Foods I class took a trip to see the production of pretzels at the Tell City Pretzel factory. Also, the Clothing I class took a trip to the fabric department of TG \& Y, while the family relations class visited the June Bug. Another interesting sidelight was that students brought small children to their childcare classes.
Three teachers made up the Home Economics Department this year. Miss Marjorie Town, who served as Department chairperson, taught housing, Foods I \& II, and Clothing II. Mrs. Connie Litherland taught Foods I, Clothing I, and interpersonal relations, and Miss Cynthia Roan taught chilcare and family relations.

## TRAVELLING ABROAD, WITHIN THE CLASSROOM

For those students with an interest in cultures and people different than their own, the Tell City High School Foreign Language Department met their need. From the languages offered, students were able to gain an understanding of the world around them.

The Foreign Language Department was able to offer extensive, in-depth training in the three major languages of French, German, and Spanish during the past year.

Mrs. Beverly Maier, the chairperson of the department, taught both beginning and advanced Spanish. Mrs. Sharon Buckman and Mrs. Mary Ann Horn each instructed one Spanish I class. In addition to this, Mrs. Horn taught all the French classes, while Mr. William Hintzen served as instructor for all the German classes.

## ACTIVITIES

The new year of 1979-80 brought many students into new activities and organizations.

Student council held elections and sponsored the annual Christmas dance. It also donated a large amount of savings to help finance new courtyard tables.

The band travelled to Kentucky and Tennessee. The Marching Marksmen competed in various festivals while continuing to dominate most of those contests.

The drama club presented a 3 act comedy for the first time since 1977 with "Come Blow Your Horn." Over 60 students were involved with various aspects of the production.

Sagittarius, chorus, cheerleading, foreign language clubs, pep club, and sport assistanting were among the many activities that held student interest throughout the year.

## OUR STUDENT GOVERNMENT AT WORK

Student Council 1979-1980 was the sponsor of the convocations. They scheduled the musical group Free Fare, hypnotist Bob Reams, a General Motors Science show, an Army wrestling and karate show, and John Schuurman, a folksinger. Several scheduled convocations had to be cancelled because the new auditorium had not been completed.

The Council's money raising projects were pennant sales, Christmas paper sales, and the Christmas Dance. They donated $\$ 100$ to buying a tapedeck for the cafeteria and $\$ 835$ for courtyard landscaping.

Officers were president, Nicolette Etienne; vice-president, Mary Grace Ramsey; secretary, Carol Labhart; and treasurer, Annette Evrard. The Council consisted of 36 elected representatives.

## PRACTICE MAKES PERFECT

The Tell City High School Marching Marksmen, directed by Mr. Jim Ashby and assisted by Mr. Gary Hoover, proved its superiority on the field in the Evansville Westside Nut Club Festival. Before the band left this competition, it had received first place out of 16 bands.
At the District contest, the band swept the field by taking all possible awards. Not only did the band receive the "best" drum major, auxillary unit, general effect, marching unit and the percussion block trophy, but it also took the division plaque and the Grand Sweepstakes Title. The band, competing against 20 top bands, won the first place Governor's

Trophy at the Owensboro Senior High Invitational Contest. At the Hancock County Invitational, the Marching Marksmen served as the honor band. To top off the season, the Tell City Marching Marksmen placed fourth in the state contest.
The drum majors for the 19791980 season were Molly Malone and Susan Astrike.

Kim Franzman was rifle captain while Mary Grace Ramsey was flag captain. Out of 130 students involved in band, many of the members were awarded individual medals in the Solo-Ensemble Contest.

## CHEERS AND KISSES FROM THE CROWD

Even before the 1979-1980 school year began, the varsity and junior varsity cheerleaders attended the Crescendo Cheerleading Camp in Lebanon Junction, Kentucky. The cheerleaders proved they were an excellent team by bringing home six superior ribbons, two excellents, and two spirit sticks.

During the school year, the
cheerleaders sold Tell City High School sweatshirts, sponsored a car wash, held a bake sale, and worked in a hot dog stand to raise money for new uniforms and pompons. The sponsors for the cheerleaders were Terri Greulich, varsity, Terri Werner, junior varsity, and Cindy Roan, freshman.

## WHEN ALL IS SAID AND DONE

THEY SING JUST FOR US

This year was the third year that the Swing Choir has been active. Four years ago the Choir had only five girl members. But under the direction of Mr. Gary Hoover the following two years, the number of singers increased to 23 people and then to 42 people. This year the total number of members was 53.
The Swing Choir held a rock-a-thon and a car wash to raise money for their new outfits. The boys wore red pants and white shirts, and the girls wore red skirts and white shirts.

The choir sang for many audiences. They sang at the area junior high schools. Perry County Homemakers Club, the National Honor Society induction, the Tell City honor banquet, the First Baptist church, and the Evangelical Church of Christ. The Choir also had the privilege of singing for the State Key Club Convention at the French Lick Sheraton Hotel in French Lick, Indiana.
The choir was backed this year by these instrumentalists: Roger Scott, pianist; Dan Meyer, bass guitar; Rocky Mosby, drums: Mike Roberts and Tom Patrick, guitars; and Joanie Evrard, banjo.

## THE SCRAPBOOK PASTERS

With the assistance of Mrs. Peggy Lake and Mr. Robert Waters, the 1979-1980 sagitarius was put together by a staff of 21 students.

This was Mrs. Lake's first year of teaching at Tell City and working on the yearbook. She graduated from Indiana University with degrees in both English and journalism. Next year, Mrs. Lake is planning to teach a class specifically for the purpose of producing a yearbook.

Since there are several different portions of the book, a student was appointed to tie the book together. This year's editor-in-chief was Richard Biever. He, as well as the other section editors, deserves much credit for getting the book off the ground.

Mrs. Lake was the advisor for the student section of the book. This included the Academics (editor John Si-
dle), Activities (editor Kathy Stowe), Athletics (editor Tim Jarboe), People (editor Barbara Greene), and Student Life (editor Roger Scott) sections. Other members of the staff who helped on these sections were Steve Finlay, Shari Genet, Randy Hilgenhold, Cindy Hinton, and David Lamar.

Mr. Waters served as the mentor for the advertising portion. Allen Naugle was appointed as business editor while Lenore Borders, Joy Sidle, Pat Fischer, Lisa Lambert, Lisa Royer, Julie Spear, and Susan Blandford were the students who went out on the streets and actually sold the ads.

Lynn Donaldson and Jane King served as photographers; Mark Flight was appointed lab technician with the assistance of Mike Roberts.

Photographer Jane King got her picture taken while she was taking drama club photos. She and Lynn Donaldson were responsible for many of the photos in the book.

## STRIVING FOR "THE MASTER'S TOUCH"

Mary Champion and Richard Biever take a breather during the NHS mock election.

The members of the National Honor Society are the top students who excel in the areas of character, leadership, scholarship, and service. The officers of this elite group were President, Keith Kemp; VicePresident, Jim Dauby; Secretary-Treasurer, Molly Malone; and Public Relations, Richard Biever.

In November, the group held a mock election under the supervision of Mr . Richard Roos. Students and teachers were asked to cast their votes during study halls or before or after school. Members of the group assisted students in need of help. After the votes were tallied, the results were posted in the library showcase window.

In March, 24 new members were inducted into the society. Mrs. Beverly Maier directed the ceremonies which occurred in the cafeteria.

Mr. Robert Waters arranged for the old and new members to attend the Derby Dinner Playhouse on April 27. The students saw the much celebrated musicalcomedy, "My Fair Lady."
Some of the members of its society ordered jewelry. Mr. Allen Kramer was in charge of this procedure as well as filling out all other paperwork.
The faculty committee was composed of Mr. Allen Kramer, chairman, Mr. Robert Day, Mrs. Beverly Maier, Mr. Richard Roos, Mrs. Marilyn Scott, and Mr. Robert Waters.

Officers for the NHS of 1980 were Jim Dauby, vice-president; Molly Malone, sec-retary-treasurer; Richard Biever, public relations; and Keith Kemp, president.

## BRINGING LANGUAGES TO LIFE

The French, German, and Spanish clubs composed the foreign language clubs in the Tell City High School system.

The French Club was comprised of 50 members. Presenting skits and participating in French games were the two activities for the group.

German Club consisted of 14 members. This year, the club sold popcorn to raise money for its activities, which included eating in the German restaurant at Jasper
known as the Schnitzelbank, journeying to Opryland, and attending a pizza party.

The Spanish Club received a certificate from the Peace Corp for the club's donation which helped build a rural school in El Salvador, and also for contributing money to build another room onto a school for special students at Honduras.

- Cindy Hinton

French club officers were Michele King, treasurer-secretary, Mike Briggeman, vicepresident; Mrs. Horn, club sponsor, and Richard Biever, president.

German club officers were Cindy Hinton, secretary; Molly Malone, president; Annette Snyder, treasurer; Brad May, vice-president; and Mr. Hintzen, club sponsor.

## ESSENTIAL HELPERS

Bat girls were the secret behind a wellrun baseball game. This group of high school girls averaged around 40 members. Baseball Coach Mike Spencer was in charge of this hard-working group.

Some of the duties of these girls were keeping score and statistics, announcing. and getting water for the players. They also picked up foul balls, retrieved thrown bats, and collected equipment after the games.

This year's bat girls were divided into four groups which took turns working at the games. Because of the large number of members, not all could work at each game.

The bat girls bought T-shirts with the money they earned from selling cheese and sausage earlier this year.

Mat maids were those enthusiastic girls who gave their service at wrestling match-

There was only a small group of 14 girls who made up this year's mat maids. Mr. Morton, the wrestling coach, was in charge of these girls.

Mat maids were responsible for keeping score and statistics, announcing, throwing in the towel, and giving moral support to the wrestlers.

The maids sold candles this year to pay for their shirts.

This year there were approximately 10 or 12 track assistants, both boys and girls. who were under the supervision of Coach Bob Busse.

These students were a great help at the track meets. During the home meets, which sometimes lasted for hours, the assistants made sure everything ran smoothty.

Some of the responsibilities of these students were announcing, timing, and judging. They also moved hurdles, raked the long jump pit, reset the high jump bar, retrieved shots and discus, measured distances, and held the all-important finish tape.

The track girls also aided the cross country team in the fall as flag girls at the country club. There, they took times, handed out finish cards, and stood by the flags which showed the runners where to go.

Office assistants were a big help to the principal and assistant principal. They gave an hour of their time everyday to collect absence-slips, and run errands for the office of TCHS.

The matmaids for 1980 were Rhonda Wargel, Tina Tharp, Michele King, Molly Malone, Betty Snyder, Kara Goffinet, Shari Genet, Kim Howerton, Beth Steen, Jackie Alvey, Cathy Kanneberg, Robin Lauderdale, Patty Winchell, and Darla Cain.

## LIFTING YOUR SPIRITS HIGH

The Pep Club, sponsored by Mrs. Mary Jane Buxton and Mrs. Connie Litherland, was comprised of 210 energetic students. Some of the activities of the club included: a tricycle race, a pyramid formation, a paddle ball contest, and a human-wheelbarrow race. Warm-up day, dress-up day, red and white day, and hat day were also designated to instill enthusiasm in the student body.

The identification marks of this year's Pep Club members were
the white cowboy hats, which the students purchased themselves, and red Tell City High School towels, which were donated by Mr. Guy Neil Ramsey and Mr. Ralph Reed. The Pep Club would like to extend its appreciation to the Pep Band, under the direction of Mr. James Ashby and Mr. Gary Hoover, which provided the atmosphere for the wild and crazy times.

## DRAMA CLUB PRESENTS NEIL SIMON'S ‘COME BLOW YOUR HORN'

After much hard work and plenty of worries, the Drama Club presented its version of Neil Simon's comedy play, "Come Blow Your Horn", on May 8, 9, and 10. This was Tell City High School's first production under the direction of Mr. Robert Godthaab, the new drama director for the school.

The play is about your everyday family. It tells how father (Mike Roberts) wants his sons to settle down, establish themselves as businessmen, find wives, and supply him with grandchildren. But difficulties arise because Alan (Tim Jarboe), Mr. Baker's oldest son is not ready to settle down yet.

Alan is a 33 year old bachelor who doesn't want to fulfill the
perfect son role. Instead, he wants to be a swinging bachelor.

Mr. Baker's other son, Buddy (John Sidle), has been the ideal son until he reaches his 21st birthday. It is then that Buddy decides to move in with Alan and learn how to really swing.
The peacemaker of the family is the mother, Mrs. Baker (Lisa Hagan). She is your ordinary hysterical mother who cannot do anything without her pencil.

A sophisticated 24 year old girl named Connie (Kim Howerton) is out to tame Alan. But, she almost loses her stand when Alan uses his charm.

Peggy (Cindy Hinton) is the bubbly girl from upstairs who spends long weekends with Alan.

Aunt Gussie (Stilla Janosa) is the lady Alan and Buddy have to kiss through a veil.

Student directors for the play were Melanie Meunier and Roger Scott.

Officers for the drama club this year were President Molly Malone; Vice-President Zack Etienne; Secretary-Treasurer Kim Howerton; and Historian Michele Middleton.

Mr. Robert Godthaab's plans for Tell City include "presenting a varied theater program which would include presentation of musicals, dramas, and comedies to build a stronger program."

- Cindy Hinton

Startled by the ringing phone, Buddy (John Sidle) lets him mouth drop open.

When Alan (Tim Jarboe) wants to know why Connic (Kim Howerton) is considering quitting the music business, she tells him that she might want to settle down and become a housewife, which makes him uneasy.

While Darla Beatty applies her make-up, Cindy Hinton rehearses her lines before the play.

Dad (Mike Roberts) informs his son (John Sidle) that he is no longer related to him.

Mrs. Baker (Lisa Hagan), the mother in the play, seems to be getting another (stick in the' heart' when her youngest son, Buddy tries to rush her out of the apartment.

## BIDING THE TIME

Even though there was no official chess club this year. Mr. Hintzen took four of his former chess players (Bill Flight, Mark Flight, Mike Roberts, and Mark Williams) to the Indiana State Chess Tournament. These four students, with Bill Flight acting as team captain, received sixth place in the tournament.

Senior Alan Bradley was lieutenant governor for the Indiana district of Key Clubs. The Key Club convention was held at French Lick this year with Alan serving as host. Several Tell City High School Key Club members also attended this convention. The Key Club also sponsored the intramural sports this year.

The Lettermans club consisted of all athletes who received a letter for their performance in TCHS sports. The club sponsored the Letterpersons breakfast this year at the Moose Lodge.

The Science club was comprised of approximately 17 or 18 students. Mr. Barnett served as the club sponsor. One activity in which several members of the group participated in was a trip to the Museum of Natural History in Cincinnati., Ohio.

## PEOPLE

From three elementary schools, the vast majority of freshmen came in late summer. And when spring arrived with the budding of leaves and flowers, the seniors departed in a mass exodus for parts unknown.

Meanwhile, the sophomores and juniors continued on their course to strive for "academic excellence" while stopping along the way for enough time to take in life as it blew through the halls of Tell City High.

A gas station attendant, a waitress, a basketball player, a stock boy, a thinker, a singer, a pianist, and artist - all made up just a small portion of the 1980 student body. A student body with varied interests and goals but, for the most part, all claimed their Marksman heritage proudly.

Led by the administrators and teachers, these were the People of 1980.

## AN EDITORIAL COMMENT

 BEFORE THE"A massive undertaking" - this book could be described as such.

Though most staff members gave of themselves $100 \%$ from cover to cover with the 1980 Sagittarius, there could not have been a yearbook if not for the generosity and support of local businesses, people, and institutions.

The staff would especially like to thank the good people at the News Publishing Company for the use of many of their photos. Art Gerber at Photocraft also deserves our sincere thanks for his aid and assistance throughout the year.

Mrs. Peggy Lake and Mr. Robert Waters also should not be forgotten. In her first year at TC, Mrs. Lake had to endure the never-ending barrage of frustrating problems that often accompany the advisor position.

Mr. Waters handled the advertising and business aspects of the book while also offering advice and assistance to the staff members.

However, the 1980 staff would especially like to thank the most important contributors to the book, the many generous people that bought ads throughout the book. For, without their help, there could not have

## THE PASSAGE OF MORNING:

How do we end a book that began over 184 pages and nine months ago ... a book that hopefully, has captured for everyone a small portion of the images and emotions of the 1979-80 school year - a year full of questions and uncertainty awakened by the morning of a new decade.

Do we simply say "good-bye" "the end" ... "adieu" "Farewell," ... or do we shout those sometimes bitter sentiments
free the American hostages, they still remained in Iran for the seventh month after the aborted attempt ended in a blazing tragedy.

The residents of the Great Northwest got a glimpse of Armageddon on May 18 when the volcano, Mount St. Helens, exploded, spreading tons of ashy fallout over much of Washington and Oregon, causing floods, leveling vast timberlands, and killing at least 18 people, with a force

## TRANSITIONS OF TIME

thoughts were throught, new dreams were dreamed, new goals were achieved.

It was a new morning, indeed. No matter how anyone looks at the year or Sagittarius 1980, we were glad to be a part of TCHS with all the personal memories concealed in its hallowed halls. So, when we think back to the 1979-80 year, the words will continue to echo over and over in our minds, "new morning," new
of the small staff which faced the awesome responsibility of collecting the material that had to reflect the entire student body?

As with every year, undoubtedly, some "expert critics" out there in the student body will find something to complain about.
Do we follow the opening with a brief synopsis of the past year, or do we let the reader finish the book in his own way, with a silent thought, reflection, or slam of the cover?
As much as everyone progressed and matured throughout the year, as much as gas prices continued to rise past $\$ 1.20$ for regular, and as much as the split in U.S.-Soviet relations increased, so too did much remain the same. Although there was an attempt to
"Is it a rising or a setting sun?" A new morning arises over a darkened city of tiny lights.

On the threshold. Lisa Hunt stands in line before receiving her diploma at the commencement.

500 times as great as the atomic bomb dropped on Hiroshima.
And the politicians, Carter, Kennedy, Reagan, and Anderson, continued to seek the Oval Office in hopes of leading America to a better future into the 1980's.

The 1979-80 school year was many things to many people. It was a year of jubilation, a year of sorrow, a year of old endings and new beginnings, a year of uncertainty, a year of redemption. New
