1990: A GREAT YEAR TO BE A MARKSMAN

Tell City High School has a tradition of pride and excellence that goes back to 1928 when the present building first opened its doors. We are one of the oldest schools in Southern Indiana and for the past sixty-two years we have been known for our great teams, our outstanding bands and our high academic standards.

In 1990 we did not live on the laurels of past Marksmen, but rather we added to the Marksman tradition by achieving honors of our own. Every year since the state band finals have been held in the Hoosier Dome, the Tell City Marching Marksmen

have been in them. As a fan reads his program he can trace the history of how previous Tell City bands have done. This year's group finished sixth in the state of Indiana. Many of the band members were sad that we didn't place any higher, but they kept the tradition of achievement alive at Tell City.

The members of the Marksmen football team proved to the state of Indiana once again that they were a force to be reckoned with. Throughout the season they were ranked number three in the state. For the second straight year Tell City's football team finished the regular

season with a perfect record. In the ten years since the Big 8 Conference was formed Tell City has won the conference title four times. In the past we have proven we were strong in football and the tradition continues.

Students at Tell City have long been encouraged to strive for academic excellence. Many upper level courses are offered for students to take. Also students can compete in the Hoosier Spell Bowl, the Academic Bowl and the Academic Decathlon. In 1989 the spelling team won the district competition, but lacked the score to advance to the state finals.

Lower L: T. Proudfoot, S. Wallace and E. Hauser accept the first place trophy at the South Spencer contest.

Lower R: Pep sessions helped spark enthusiasm for fall sports.

Freshmen, S. Wathen and H. Simpson, are members of the first class to start high school in the 1990's.

At
Tell City
We Have
A Lot To:

Smile About

Going to school isn't all that bad; sure we complain a lot but school is a place where we get to see our friends, catch up on "Who's going with Who" and maybe even see our boyfriend or girlfriend. At the end of the week we may even have a pep

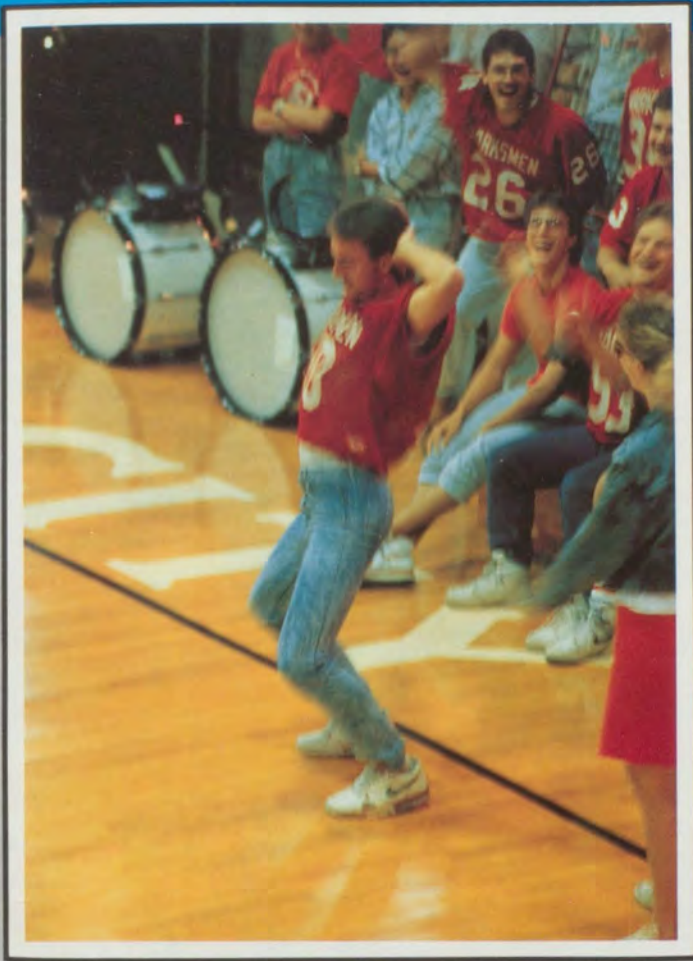

session; there it's always fun to watch the student body compete with others in different grades in various competitions. Also we have our Spirit Days on which we can dress funny and wear weird things that we wouldn't normally wear to school. This year we

also had a car decorating contest. It was pretty amusing to go out and see the different cars decorated in school colors. This year's winner was Glenn Cronin's van. So as you can see at Tell City High School we do have a lot to smile about.

Upper Right: G. Cronin, the proud owner of this van, won the car decorating contest this year.
Upper Left: J. Hagedorn usually has time to smile.
Right: S. Labhart reads the paper and finds out his favorite team won.

Upper Left: T. Lawalin shows his stuff at the pep-session.
Upper Right: What's the joke Sarah?
Lower Right: J. Spencer is usually in a good mood.
Lower Left: L. Dilger, S. Hildenbrand, and V. Rogier wait patiently to perform at one of their many contests.

Middle Left: J. Jarboe gets in a few last words before the bell rings.

Right: D. Carter, L. Stephens, and S. Labhart got half the idea on dress up day.

Top Right: L. Colligan, T. Coomer, S. Hildebrandt, K. Young, T. Ballis, and T. Coomer are crazy about the latest fads.

Lower Left: T. Winger, A. Bouillon, Shawn Fulkerson, M. Foertsch, and D. Miles show their Marksmen Spirit on Hat and Shades day.

Lower Right: B. Rhodes and R. George got confused between crazy day and dress up day.

Marksmen
Really
Are

In The Spirit

Most school days at Tell City are pretty much the same. You get up, only because you have to and somehow manage to drag yourself to school. Then it's the same old routine. Get to first hour class and try to stay awake and then count the hours to lunch. You know how the routine goes.

Yet sometimes school is really fun and we really get

the chance to show our school spirit. During homecoming week each day is designated as a different dress-up day.

This year the various dress-up days for the week were: "Crazy Day", "Colors Day", "Dress-Up", "Hillbilly Day", and "Hat, Shades and Jersey Day". Participation started off slow, but by the end of the week the majority of students caught THE SPIRIT.

Besides dress-up day the classes were involved in what was called the Spirit Jug Competition. Each class put money in a jar and at the end of the week the class with the most money won. Pennies were the only type of money that counted against the class. Competition was close all week long, but on Friday the sophomores had won. All the proceeds went to the student council convention fund.

Lower Left: J. Polen, T. VanWinkle, and A. Weatherholt discuss their plans for the weekend. Lower Right: J. Braunecker won second place in the car decorating contest.

Homecoming 1989: Marksmen

OVERPOWER OPONENTS

Football homecoming week at Tell City is a time always enjoyed by students. Besides the Friday night game many fun activities are planned for students during the week.

It rained most of October the 9th, but the skies cleared in time for the game. The Marksmen easily defeated Princeton by a score of 15 to 0. During the halftime ceremonies Tonya Coomer was crowned queen by student council vice-president Steve Conner. Student council president Jenny Spencer then

presented her with a bouquet of roses. Senior, Andy Schroeder was the queen's escort for the ceremonies.

The four candidates for homecoming queen were nominated by the senior members of the football team. Then the entire Tell City student body voted by secret ballot for the queen. The other senior candidates were Leta Collignon, escorted by Chris Daum, Jennifer Hagedorn, escorted by Steve Hebeisen, and Shelly Harris, escorted by Mark Hagedorn.

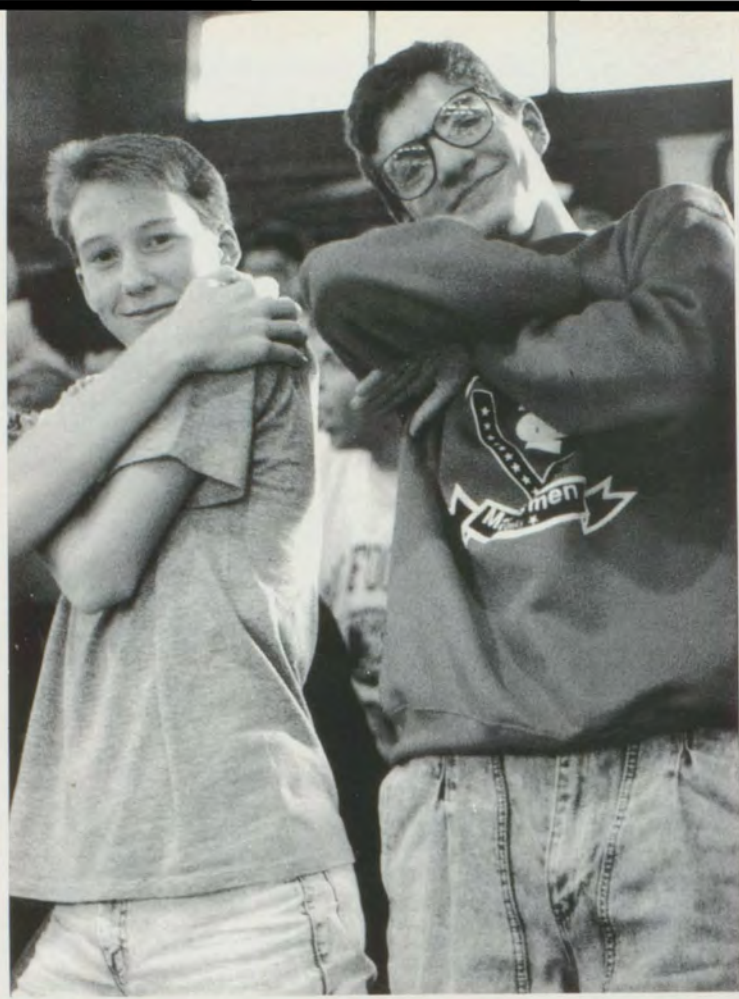

Opposite page: Upper L — Tonya's escort for the evening was senior A. Schroeder

Lower L — Senior S. Seibert, quarterback, called the plays for the '89 season.

Lower R — Senior court — A. Schroeder, T. Coomer, S. Hebeisen, J. Hagedorn, C. Daum, L. Collignon, M. Hagedorn, S. Harris.

Doing a cheer in the top left are E. Malone, S. Buckman, S. Whitaker. Top right are N. Dickman, P. Moroch. At bottom are S. Labhart, J. Pheiffer, L. Stephens, and B. Rhodes.

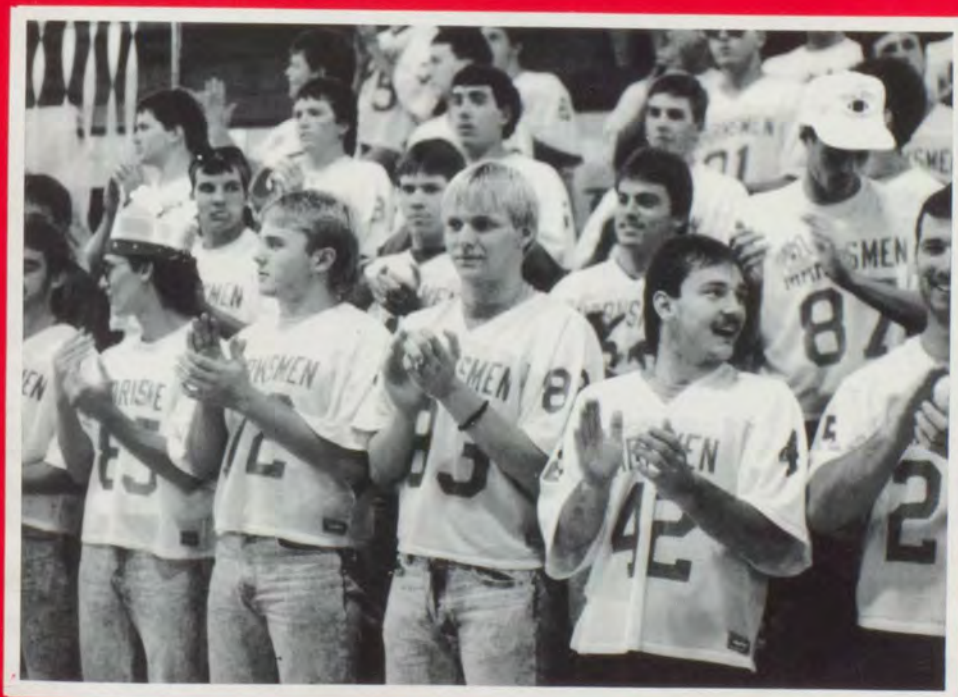

We Feel
Good!
Oh We
Feel ...

So Good

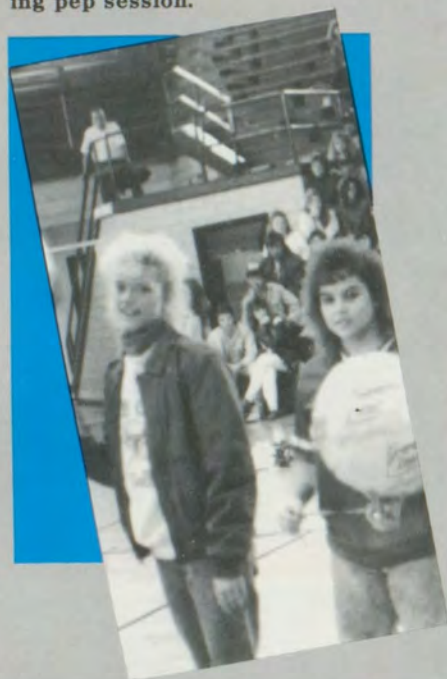

Name the things you like about school the best. First would be 3:13, the best minute of the whole day. The next best thing students like about school is lunch. That's the time we get to see our friends and actually get the opportunity to leave school. Most of us agree lunch time isn't long enough, but we still use every minute of it. After lunch we look forward to p.m. homerooms because it makes the rest of the day go by fast,

and sometimes if we are lucky we have a convocation or a pep session where we let our all of our rowdy emotions. We also like to show our school spirit on nerd day, shades day, hats day, dress up day, wear red day and hillbilly day. These are all fun days in every class. Lastly, we like it when we have a tornado drill or fire drill when we are taking a test so we can exchange answers.

At top are A. Schroeder, J. Purcell, S. Howe and L. Stephens. At middle, football team kneels to the cheerleaders. At lower left the team gets into a pep session. At lower right J. Jesse shows his spirit.

Tell City Elects Twins:

Basketball Football Queens

Twins are unique people by nature. Sometimes it's like seeing double. Tonya and Tricia Coomer certainly don't look identical, but they are twins and they do seem to have much in common. They are both active in school and both are obviously quite well liked by their classmates.

E. Freeman shows the legs that won him the Mr. LEGS CONTEST.

BASKETBALL COURT: Sophomores, Ryan Stiles and Molly Kleaving; Juniors, Grant Stiff and Carrie Temple; Seniors, Jenny Thiery, Ryan George, Christie Oberhausen, Glenn Cronin, Queen Tricia Coomer, Brian Rhodes, Leta Collignon and Dion Birchler; Freshmen, Sarah Wathen and Jeremy Pappano. Kaitlyn Belcher, crown carrier and Clint Albin ball carrier.

Marksmen

Strive To Win

Tell City has long had a tradition of winning. Our overflowing trophy cases prove that fact, but rather than resting on our past achievements the students of Tell City just keep striving for success.

During 1990 we earned many honors and kept our winning spirit alive. Our foot-

ball team made Marksmen fans young and old proud. For two straight years our varsity team went undefeated in regular season play.

Marksmen learn how to win early and the freshman class proved that. They started the year by winning every football game they played.

Not only do Marksmen ex-

cel in sports they work hard in the classroom, in band contests, speech contests, and student involvement.

We of Tell City High School are very proud of all achievements that our sports' participants and others have made.

We have great student involvement.

Opposite Page: Middle left — Freshman football players M. Lehmkuhler, G. Stephens, M. Mowery, all started their high school career by having a perfect season.

Opposite Page: Middle Right — Seniors J. Brumfield, T. Brown, J. Sandage, and J. Thiery all pull for a Senior victory.

Work, Play and Study

Many Tell City High School students have two jobs. One is school and the other is the job they have after school. It is not unusual for a student to work twenty, thirty or even more hours per week. Why do so many students work? The number one response is "money".

For many students the days

are long. First, comes school, which lasts until 3:13 and then it's off to work. Several hours later there is still homework to be finished. For some the homework gets completed, but for others it doesn't. The homework could be calculus, or chemistry or physics. As we get older the homework seems to just get

harder.

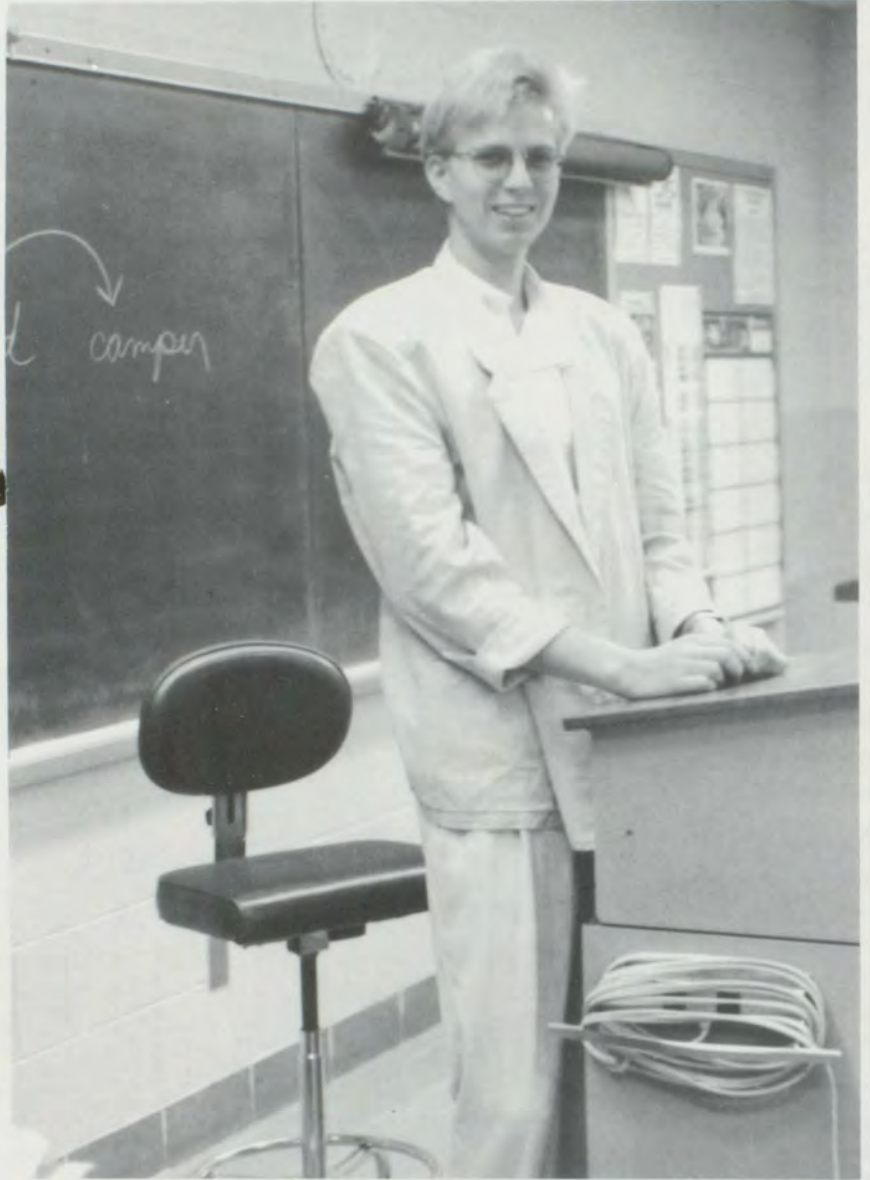

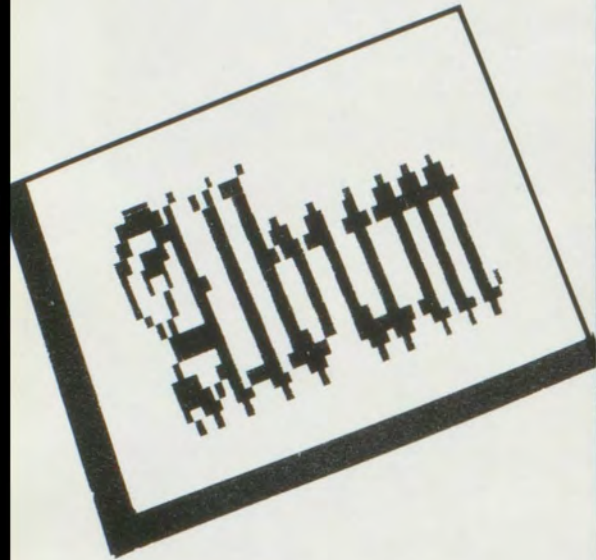

Yet school is not all work and no play. In fact it's the play that we seem to remember the most.

Above: J. Cronin and V. Rogier, two seniors, count off another day until graduation.

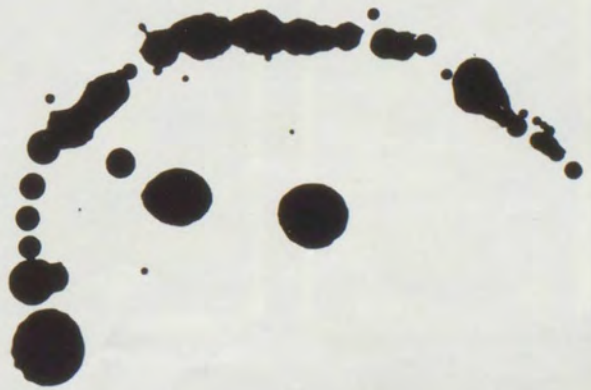

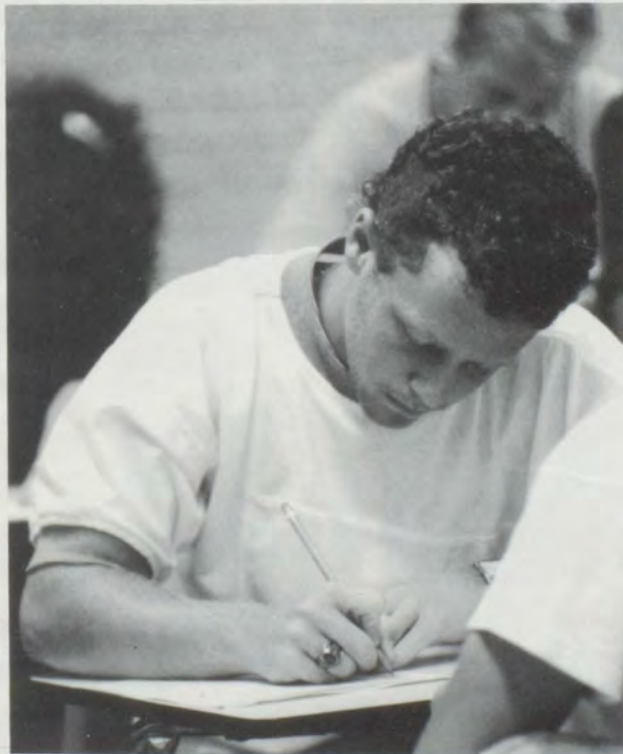

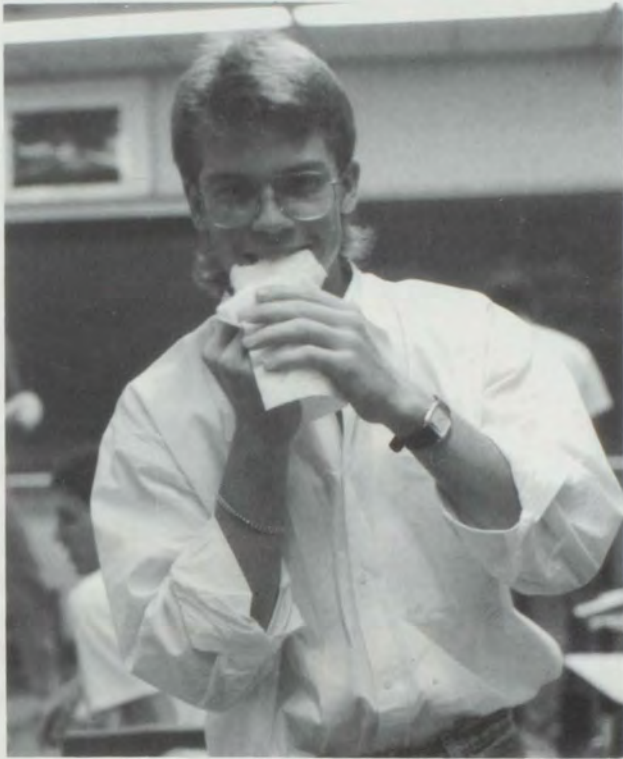

Lower Right: A. Dixon makes a speedy delivery for Schreiber's.

Lower Left: C. Cronin lets us see how a typical day is spent at T.C.H.S.

Opposite: Exchange student, Petteri Heinonen, tells how life in Finland compares to the U.S. Bottom L: Discussing homework are J. Cronin, Z. Dowlut and G. Cunningham. Top L: J. Hagedorn practices one of his favorite pastimes. A. Schroeder (UR), J. Land (LR) and M. Hagedorn all hit the books.

T Just Doing It The Senior Way

Joy and sadness are two opposite emotions, but they seem to go hand in hand for a senior. When we started school in the fall we were excited to at last be SENIORS. We moved into our lockers in senior hall with all the pride in the world. Every morning we would sit on the floor in front of our lockers and gladly force all underclassmen to walk around us in order to pass. In our hearts we knew we were supreme and we wanted to let everyone else know it.

Many things symbolize being a senior and having your senior picture taken is one of those things. Early in the fall we started showing everyone the proofs of our pictures and it was impressive to see how mature, glamorous and sophisticated we looked. Later we received our senior keys and ordered graduation announcements. Making that step let us know the end was really near. For most of us the end was in sight, but some of us wouldn't make it. Those of us who didn't take school seriously along the way found out they wouldn't have enough credits to graduate, so while most of us were excited some of us were sad.

During the course of the year we began to realize we were going to be going our separate ways very soon. Some of the girls received engagement rings, some married, some students joined the service and many others were accepted to college. At some point during the year, each of us realized times would never be the same again.

Above Left: John and Sonny assure us; we will like their cooking! Bottom Center: Tommy shows us he is a Bart Simpson fan. Below Right: D. Cronin and J. Braunecker (left) have a typical day.

Principal, Larry Moore is now in his fourth year as principal of Tell City High School.

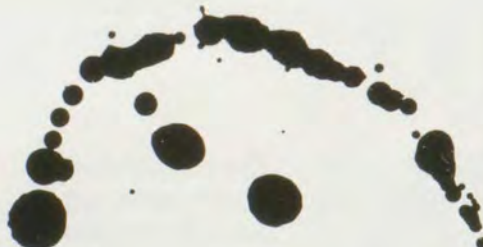

“The school year 1989-90 has been another exciting and successful one for Tell City High School. For example, we have had another National Merit Scholarship winner in Sarah Freeman, and we completed the second straight year of being undefeated in the Big 8 Conference in football and girls’ basketball.

We’ve had several seniors win full and partial academic or athletic scholarships, and we’ve been competitive in each of our fourteen varsity sports. The largest senior class since the early 1980’s will graduate in the class of 1990. As you look through this yearbook in years to come, I hope that you will remember 1989-90 with as much as pride as I have felt in being the principal of Tell City High School.”

“This is my second year at Tell City High School, and the experience I have gained has been phenomenal. The community support for the many programs offered at the school is a true witness of how much an education is valued. The sports program is supported very well, but so are the academics. This is evidenced by the Marksman Pride Club, and the Academic Honor Banquet.

I feel that our school has a strong Student Council organization. They are continually in a myriad of school activities and are always seeking ways to improve the total school atmosphere.

I highly commend the entire student body for the general care and concern they have for each other.”

Assistant principal, Jeff Jessee, has been at T.C.H.S. for two years.

The history of the Marching Marksmen is outstanding. They have been to the Indiana State Marching Band Finals, at the Hoosier Dome, every year for the past thirteen years. They have finished in the top six every year they have marched. John Sedwick, the new band director, thought the students performed extremely well even though they had finished sixth this year. Besides finishing sixth at state they also received a considerable amount of trophies throughout the year. To accomplish this great season they had to go

through a lot of hard work like a week of band camp, guard or percussion camp, and practicing two to three times a week. After hours of practice Mr. Sedwick felt the students were ready to perform at football games, parades, and many contests. To award all their hard work they took a trip to Florida during Christmas break. After marching in a parade at EPCOT they spent many hours at MGM Studios, Cocoa Beach, Magic Kingdom, Paradise Island, and Kennedy Space Center. They left December 27 and returned January 1.

Student Leaders

This year's student council directed a very fine program. Mr. Jeff Jessee was the Student Council sponsor. The Student Council did quite a few things during this school year. For instance, they determined the qualifications for nomination and election of the class officers. Officers of the Student Council for the 1990 year were; Jenny Spencer, President; Steve Conner, Vice-President; Sarah Freeman, Treasurer; Keary Dye, Secretary.

ing program, spirit weeks, dress-up days, and the Christmas food drive. Any action that was taken by the Student Council was approved by the Student Council sponsor, Mr. Jeff Jessee. The council held meetings as needed, and at these meetings they discussed the different school activities going on during the school year, and what was needed to be done.

Some of the activities which the Student Council were responsible for are: the Marksmen Pride Club, all dances and homecomings, the tutor-

Many people feel that being a member of the Student Council is just a prestige position, but a person can easily tell from all the activities they sponsor it is also a lot of work to be in the student council.

Sagittarius Staff: The Best Ever

The mass media classes this year were made up of mostly seniors; there were three juniors. This class learned a lot about a yearbook, how it is created and what it takes to make one. Mrs. York also taught us about radio communications, and a lot about T.V. advertisement. We all put

forth a lot of time and effort putting together what we think is the best yearbook this school has had for a long time. We tried to get everyone included in the yearbook and tried not to include a certain group of people too many times. Our object through the whole year was to create a

yearbook that everyone could be proud of. Also we made a special effort to compile a book that would cause members of the senior class to look back fondly upon their last year of high school.

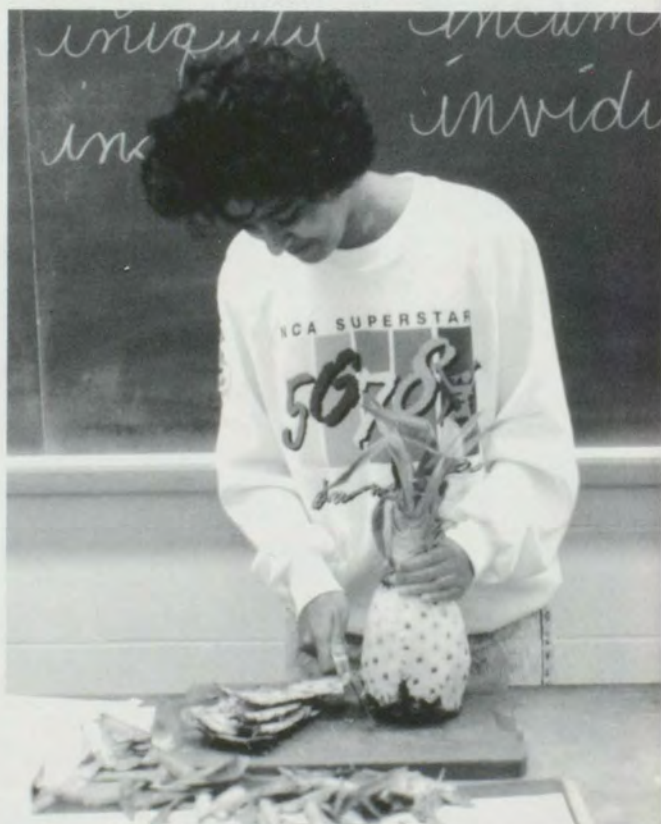

We hope you enjoy this yearbook that we have created especially for you.

The language arts classes make up an integral part of any school and Tell City is no exception. Students may choose from a wide variety of English classes and can also take either French or Spanish.

The English curriculum at T. C. is one of the most challenging programs offered anywhere. A student who elects to take the college prep course should be pre-

pared to compete in any Indiana or Kentucky university, because he will have completed two courses in composition, one in world literature, one in British literature and a semester in speech.

Students are provided the opportunity to express themselves on paper, before an audience, before a camera and on tape.

The Drama Club of Tell City High School was proud to present "The Legend of Sleepy Hollow" in 1990; it was the first musical production ever put on by the organization. Two months of hard work was benefitted by three outstanding performances. Each performance differed from the others; they each had their own little mishaps. However, the audience showed they loved it with a standing ovation on opening night. The cast seemed to thrive on the growing applause of the audience, making the cast perform with spirit and emotion rather than just nervousness.

class students work on stations (jobs) which they choose individually. The work stations are replications of actual businesses in the community. Some of the stations are as follows: Citizens National Bank, Vincennes University, Hollinden Realty, Hagedorn Law Office, and various others. The stations take 3 to 10 days to complete depending upon the length of the station and expertise of the student. All students enrolling in IOL automatically become members of the Business Professionals of America. The BPA volunteers its services such as typing letters, envelopes, and cookbooks to various organizations including MADD, Riley's Childrens Hospital, and Mu Lambda. The top BPA students compete in District Competition each January. The following students then advanced to State competition held in Indianapolis each March: Kerri Wead, Jennifer Cody, Dione Patten, Amy Allen, Vicky Hicks, Valerie LaGrange, and Cissy Stutville. State BPA winners qualifying for Nationals were Vicky Hicks and Amy Allen.

Learning Life Skills

The students continued the 1989-90 school year with the community-based curriculum. Most students have jobs in the community. The training sites were: Perry Co. Memorial Hospital, three C&S stations, VIP Foliage, Newman School Cafeteria, and Tell City National Bank. At these sites, students were supported by job coaches Jeanie Labhart, Connie Tay-

lor, and Angela Fortwendal.

The TCHS Advocates after-school club also had a good year. Each month, they arranged an event, and put it on, inviting all of the LSC members. In January, 8 peer tutors and Mr. Boenigk went to Bloomington for the fourth annual Peer Tutor Conference.

Students learn to budget their money, cook, use a fast

food restaurant, play computer games, go shopping, and other things to prepare them for living as independently as possible when they leave school.

All in all, it was a good year for the Life Skills Class. Lots of learning happened, and friends were made. Some students grew a lot, and memories were made to remember all our lives.

T. C. Ski Club Rained Out

The skiing at Paoli was enjoyable for everyone the few times they went, but the weather did not seem to be cooperating with our skiers. When it should have snowed it rained. Since it rained the ground was too wet to make snow. Many students were concerned that they would lose the money they had spent for their passes, but Mr. Spencer made special arrangements for students to be able to use their passes next year or to sell their passes to incoming freshmen.

Mr. Spencer New A. D.

Mike Spencer has taken the position of Athletic Director this year. Mr. Spencer has been head football coach for four seasons and he has also been head baseball and assistant basketball coach during his career. Since taking the position of head football coach Mr. Spencer has a 38-11 win-loss record and along with this impressive record he has had 3 sectional titles, 2 regionals, 1 semi-state, and was runner up in the state finals his first year as head coach. His last two years in football the team has gone undefeated in the regular seasons and two conference titles.

WHEN IT RAINS: IT POURS!!!

Marksman Persevere

A new roof was put on this school exactly ten years ago this month in January 1990 and was supposed to be replaced but was too late. So this is what everyone saw when we came back from Christmas Break in January. The new part of the building was flooded with water about two inches deep. There were no ceiling tiles, plastic bags were hanging from the ceiling

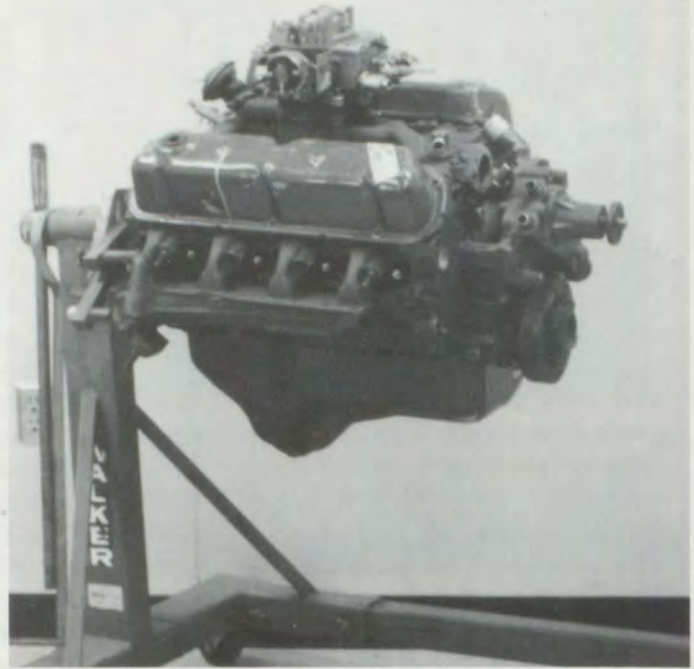

and buckets were on the floor to catch the water. So when the new building was being repaired everyone had classes in the old part of the building. We had classes in the: study hall, auditorium, chorus room, library, and the boys' gym. Since everyone was in one part of the building the hallways and stairs were crowded, but everything worked out really well. Ev-

eryone got back into their classes in about two and a half to three weeks. It took a while for everything to get back to normal in the classes. When everyone did get back there were still ceiling tiles out and buckets in the hallways but it was a lot better than being flooded out of classes.

Plastic bags were hanging from the ceiling to catch the water. K. Kleeman and M. Kleaving don't let the repair work keep them from getting to class.

Training For Work

H.O.S.A. — Health Occupations Students of America was founded in 1976, and serves our community with its local chapter at T.C.H.S. Three schools combine together to form this chapter. Girls from Perry Central and Cannelton come to T.C.H.S. every Mon. — Fri. morning to learn how to care for others. The girls learn how to check

vital signs, make beds both occupied and unoccupied, and how to transfer patients. After spending the first semester at school learning how to and performing these procedures on other students, the girls put their skills to work. During the second semester, the girls work at Headstart, Visiting Nurses Association, school nurse, dentist, and

Respiratory Therapy, Physical Therapy, Radiology, Emergency Room, and second floor, all at the hospital and then going on to work at the nursing home. Through working with patients and co-workers at all of these facilities, the girls gain a great deal of experience which could help them when pursuing their future careers.

Building To Last

Building Trades is a vocational course that is offered at Tell City High School. This year was the 10th year for the class. The students are taught skills on how to build a house. They are given the opportunity to actually build a house. This year, the students are building a 2 bedroom house with a formal dining room and basement. It is located on the 1800 block of 12th street. The students are given the entire year to work on the house. There are also students from Cannelton and Perry Central in this course. After this house is constructed it is then put up for sale to anyone interested.

Blood Drive

The National Honor Society is an elite group of people who have to qualify for membership. In order to be selected, a student must have more than good grades; he must also demonstrate leadership ability and high moral character. The NHS is a national organization which is respected throughout the United States.

Here at Tell City one of the most important services the NHS does is sponsor the Blood Drive which was held

in March. This service has been performed by the NHS for the past ten years. After the first two years of the program the number of people contributing blood steadily declined. This year, however, marked a real turning point in the program. We had almost fifty percent more people contribute. In fact a total of seventy one students in the junior and senior class gave blood.

Sonny Labhart was elected this year as the 1989 MVP award winner for the football team. He had a total of 1,308 yards this year on the ground and 381 total yards in the air. He was honored by being voted as all Big 8 Conference. He also made the All Southern Indiana Team, and the North South All Stars. He also made the UPI top 100 and AP Honorable Mention Poll along with the Bloomington Herald's top 33 in the state.

BIG 8 CONFERENCE CHAMPS

As sophomores the class of ninety had three starters on the varsity football team. The team had an average, regular season, but when it came down to the playoffs, they exceeded everybody's expectations when they finished as Regional Champions with a record of eight and five.

As juniors the class of ninety had many people starting and they exceeded right from the start of the season. They started out ranked sixth in the state. Then they went undefeated in regular season play and with a defeat over the Princeton Tigers, the Marksmen won the Big 8 Conference title without losing a game. They went on to win the sectional title and to play in the regional. They finished with a record of eleven and

one.

As seniors the Marksmen moved up to a 3A football school, but as always the class of ninety had still another great regular season, and the Marksmen went eight and zero in the conference to win it two consecutive years undefeated. When the Marksmen started the playoffs, they

were ranked third in the state. The Marksmen finished with a nine and one record to wrap up their varsity career with a total win loss of twenty-three and seven overall record.

UNDEFEATED SEASON

During the last three years Tell City has had a good team and we've also had some exceptional players. In this senior class we have had five players make all Big 8 Conference and two of them have made it twice. We had Ryan George named Jr. All State Honorable Mention twice and Sonny Labhart named to the same honor once. Five players were named part of the All-Southern Indiana Team and three of these players were named twice in a row: Chad Buckman, Todd Bieber were named once and Glenn Cronin, George was ranked as one of the top 33 players in the state and also was ranked in the U.P.I. top 100. Labhart and Ryan George both made the All-State Associated Presses Poll Honorable Mention.

MARKSMEN SPIRIT

CONTINUES INTO THE 90'S

This year's freshman team consisted of a total of twenty-nine players who were led by coach Mike Barnett. The players played hard and finished the season with a record of seven and zero over all and emerged as the freshmen Big 8 Conference champs, undefeated. When Mr. Barnett was interviewed by the yearbook staff he was asked how he thought the team would do in the future. He replied, "They have a lot to learn, but they will eventually learn and fit in and will play well during their high school football career."

It Takes Spiking To Win

The Lady Marksmen volleyball team finished its season with a record of ten wins and nine losses. The best overall strong suit of the team was its 92% serving percentage.

When interviewed about the season, Coach Jody Patterson remembers particularly the second game. Her girls played Jasper, one of Tell City's main rivals. The team members were ready to play a great game because they vividly remembered the loss they had suffered to the Wildcats earlier in the season. The Lady Marksmen were determined to play the best game they could and that is just what they did. Victory still eluded the Marksmen, but Jasper had to play three tough games to get the job done. Most importantly the Tell City players had a feeling of pride knowing how hard they had played and how much they had improved.

The 1989 volleyball team

had just two seniors, five juniors, and one sophomore. The two seniors on the team, Tonya Coomer and Angie Hughes, served as the co-captain of the squad.

Throughout the season the entire team worked together.

“Team has 92% serving percent for the year.”

According to the coach it would be difficult to say that just one player was better than the others. The two seniors on the team greatly contributed to the squad. Angie Hughes was honored by being named to the All Conference Team. For the season she had 162 out of 202 spikes.

Tonya Coomer had a very good final year. She finished the season with 175 out of 183 serves and 351 out of 414 sets.

The volleyball season start-

ed in August with practices that lasted for three hours. It continued then until the end of October. Tell City advanced to the second game of the sectional where they fell to a formidable Perry Central team who went on to win the tournament.

On the Lady Marksmen team were seniors: Angie Hughes and Tonya Coomer; juniors: Danielle Day, Rhonda Patmore, Heather Seamon, Kelly Labhart, Jill Hoch, and Catherine Foster; sophomores: Denise Hosler, Rachel Hendershot, Kara Kleeman, Jamie Thompson, and Amy Malone; and last but not least the freshmen: Shannon Clark, Stephanie Hughes, and Heather Howard.

We cannot forget most of all the coach and her assistant. Without them we could not have made all this happen: Coach Jody Patterson and Susan Baumeister.

Top: T. Coomer helped the team with the 92% serving percent for the year.

Angie Hughes

"Volleyball is a very important sport to me. I have always wanted to play in college and hopefully I still will, on a scholarship. But a volleyball season can't be good if all of the players don't work together. I not only play ball with all of those girls but also consider them very close friends. We couldn't have had a successful season without them and I wish them all the luck in the world next year."

Senior Angie Hughes

Tonya Coomer

"I think we had a pretty good season. I really was impressed and happy with our play with Jasper. We really got it together that game. We played well a lot, but sometimes not good enough! I also thought we played good against Princeton. Overall we had a good season and I know I'll miss the sport and the people involved with it!"

Day Makes Big 8

Cross Country is an individual sport that takes endurance, dedication, and determination. In 1989 Tell City had six guys, and one girl who were willing to make the sacrifices needed to run cross country. Coach Bob Busse told us that this was a very young team. Half the members were freshmen. The team's only senior, Ed Walsh, was injured before the season started and he suffered from shin splints. Even though Ed had trouble walking he knew the team needed him, so there would be enough people for a team. He ran in every event this season except for the Big 8 and sectional. Junior, Eric Day had an outstanding season for the Marksmen. He finished fourth in the Big 8 conference meet and for the second consecutive season made the All Big 8 team. Tell City almost had a second All Big 8 runner in freshman, Lee Chestnut. Lee just missed making the All Big 8 conference team. He placed tenth in the conference meet, while he needed to place ninth.

Howland & Johnson Go To Semi-State

This was a record breaking season for the 12-6 Marksmen wrestlers. They broke four team season records, tied two team match records, and broke one individual career record. The team's season records broken were most match victories (143), most takedowns (172), most pins (81), and most season team points (785). The two team match records tied were: most points in a dual meet (66 tied twice), and most takedowns in a dual meet (22). The individual record broken was most career points, by senior Eddie Howland. The old record was 249 points held by "Big" Bill Elder; the new record is 278 points. The wrestlers also did well in sectional competition with five sectional champions: Jay Johnson, Jamie Polen, Matt Morton, Ray Lock, and Todd Hedinger. In regional tournament play Jay Johnson and Eddie Howland both placed second, which advanced them to the semi-state.

The Oriental Express

On July 8, 1990 senior forward, Andy Schroeder, left for 12 days in Shanghai, China. Schroeder was one of many players to be going. He played teams from other countries as well as the Shanghai team. Andy was selected by coach Jack Ford. Ford used to coach area teams such as New Albany and Washington, so he has a good feeling of the player's abilities. The total cost of the trip was \$2,300, which local sponsors helped him with.

Schroeder averaged 78.6 points per game, 4.5 rebounds, 3.2 assists while making All-Conference, Southern Indiana All-Stars, Honorable Mention All-State, and the list of the top 100 players in the state.

BASKETBALL

The 1989-90 Tell City Marksmen basketball team did not experience success from a won-lost standpoint, but improved in many areas throughout the season. Excitement and expectations were high after Tell City jumped to a 3-0 start with wins against Hancock County, Gibson Southern, and Forest Park. However, the Marksmen hit a brick wall and dropped their next 9 encounters. That streak was

broken with a low scoring 32-28 victory at long time rival Jasper. This marked Tell City's first win over Jasper since 1979. The Marksmen ended the second half of their season against state-rated teams against state-rated teams such as Evansville Harrison, Evansville Bossee, Vincennes, Princeton and New Albany. Even though Tell City competed favorably against these opponents with such basketball traditions, the Marksmen were unable to

dent the victory column. The Marksmen's 5th victory came against eventual sectional champion Castle in the 2nd to last weekend of the season. The cheering student body displayed their enthusiasm with the use of new red & white shakers during the closely played contest. Tell City concluded their season with an opening game lost to South Spencer in the Boonville Sectional.

Conference Champs

2 Straight Years

For the second straight year the Tell City High School girls' basketball team won the Big Eight Conference championship with an unblemished 7 wins and no loss record. The Marksmen girls ran their conference winning streak to 19 games and opened their season with an overtime win over archrival Heritage Hills. Other season highlights included victories over last year's regional champion and semi-state runner-up Southridge, always tough Breckenridge County, Vincennes, Jasper, and Mt. Vernon. Their overall record was 11 wins and 7 losses.

Individual honors were garnered by Valerie Franchville and Angie Hughes. Both were unanimous selections to the All Conference team and along with Tonya Coomer were members of the All-Perry County team. Angie was also nominated by the Hoosier Basketball Coaches Association to participate in the annual HBCA-McDonalds All Star Game.

Other key members of the team included senior Tara Pruitt, junior Jill Hoch, and sophomore Kelly Fischer. Seniors Boomer, Pickle, Angelo, and Pruittee will be missed by the team and Coach Whitaker for all their hard work and many contributions to the Tell City High School Girls' Basketball Program.

Six Swimmers

This season was a successful one for the Lady swimmers. They had an 11-2 record, only losing to a strong Castle team both times. They were led by seniors: Stacy Hildebrandt, Tricia Coomer, and captains — Jenny Spencer and Jennifer Land. Soph. Molly Kleaving, set a school record in the 100m back-

stroke. In the Big 8 the girls placed 2nd as a team behind Jasper and individual champions were: Beth Carlson, 100m and 500m freestyles; Molly Kleaving, 100m butterfly, and Beth Carlson, Molly Kleaving, Kara Brakora, and Jennifer Land in the 400m freestyle relay. In the sectional the team placed 2nd be-

hind Castle. Individual winners were Beth Carlson, 50m and 100m freestyles; Molly Kleaving, 100 butterfly and 100m backstroke, and Carlson, Kleaving, Land, and Brakora in the 400m freestyle relay. All of these girls advanced to the state finals where the team placed 15th.

Make State Finals

The Tell City Marksmen boys' swim team had a good season this year with a 7-5 regular season record. There were only 8 members on this season's team. One was a tall slender Finland native named Petteri "Pete" Heinonen. Ed Walsh set the school record, conference record, and sectional record in the 500 frees-

tyle. Aaron Weatherholt set a school record in the 50 freestyle. Greg Hilgenhold set a school record in the 100 backstroke, and Ed Walsh, Aaron Weatherholt, Greg Hilgenhold, and Neal Dickman set a school record in the 400 freestyle relay. The team had a second place finish in both the Big 8 and sectional. Ed

Walsh placed 1st in both the 200 and 500 freestyles in both meets, and Aaron Weatherholt won the 100 freestyle in sectional. Both Walsh and Weatherholt advanced to the state finals in Indianapolis where Walsh placed 14th in the 500 freestyle and 20th in the 500 freestyle, and Weatherholt placed 31st in the 100.

Heading For Home

The baseball season started off slow for the Marksmen, because they lost several of their earlier games. The losses were especially tough because they came in the late innings of close games.

For most of the season Steve Seibert led the team in hitting with an average that stayed around the 520 mark.

The team had solid senior leadership with the seven of them on the squad.

Highlights of the year were beating Evansville Central and defeating both the other teams in Perry County.

The team finished the regular season at just under the 500% mark.

Doubles Place

3rd in Big 8

A young Tell City boys' tennis team finished its 1989-90 season with a record of 4-12. Next year the team hopes to improve its record and the chances look good, because they will be losing only two players.

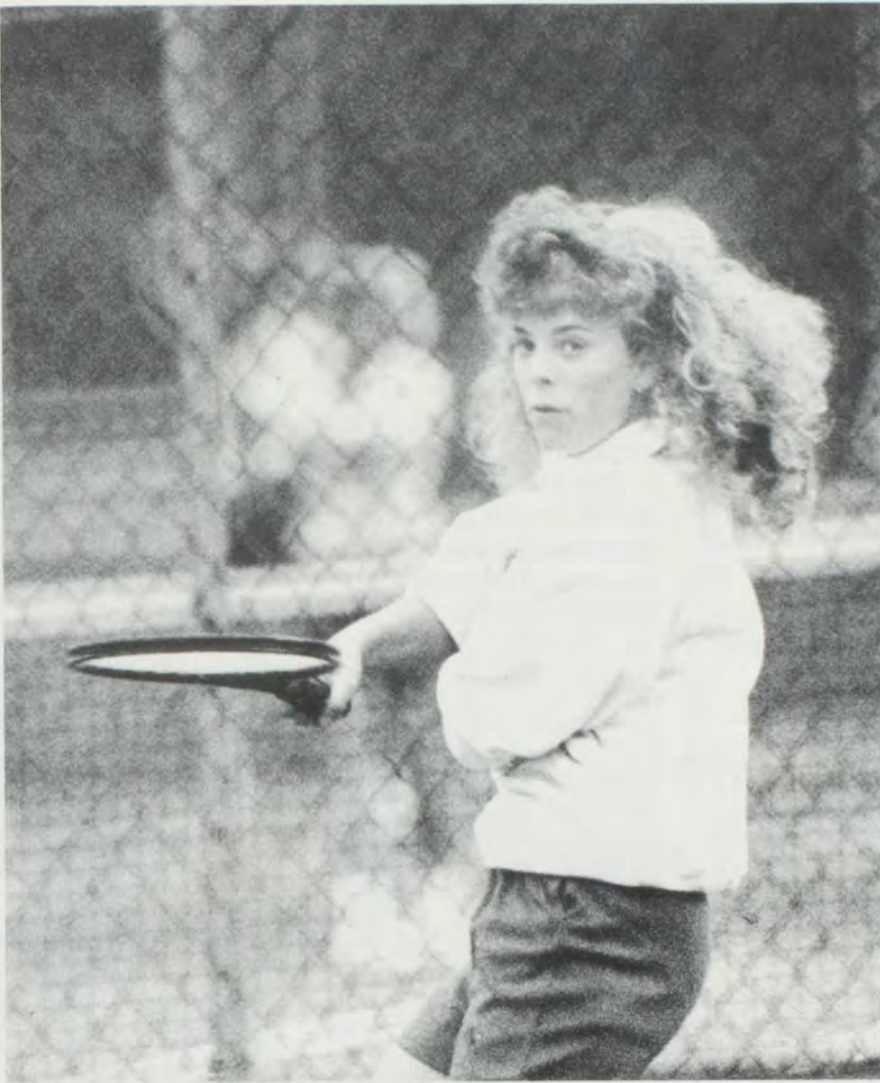

The team finished fifth in conference play and was defeated by Loogootee in the sectional. No player consistently filled the number one slot on the team. Throughout the season three different players rotated in this spot. Senior, Randy O'Dell and juniors Greg Blackford, and Paul Jordan, all traded places at being number one.

Paul Jordan and Chris Toothman ended the year playing number one doubles and placed third in the Big 8 tournament. Playing number two doubles were Randy O'Dell and Paul Morach, who also placed third.

"Playing golf was a lot of fun, and even though you play as an individual, just being a part of the team was great."

Just four years ago girls at Tell City started playing organized golf. Seniors, Leta Collignon, and Valerie LaGrange first started playing on the boys' golf team. Then two years ago when the number of girls increased to six the girls formed their own team.

The 1989 Tell City girls' golf team participated in eight regular season matches and won four of them. They also played in the sectional at Helfrick Country Club in Evansville. The record for the season was 8-8.

Cooking Up Spirit

Cheerleading is more than just a nine month job, because it extends throughout the

summer. Last summer all three squads of cheerleaders attended camp at Vincennes University. While there they learned various ideas and activities for pep sessions.

The three squads combined to form one group and brought home all superior ribbons and were first runner up for the Award of Excel-

lence. They also brought home a SPIRIT STICK which has now become a school tradition. This year's seniors were the first to compete consecutively for four years for the Award of Excellence.

Aside from competing at summer camp the cheerleaders have the job of maintaining SPIRIT throughout the entire school year. There were many mornings this past year as early as 5:30 that the cheerleaders arrived at

school in order to practice or decorate.

Cheerleading is a sport that takes a lot of time and practice. Many of the girls who cheer for the boys' teams also compete themselves on girls' teams. Also, the cheerleaders perform all through football season and then again through basketball season. Many times students and fans take for granted what the girls do and never think about the hours involved.

Marksmen Pride Club

STUDENT OF THE YEAR

Kelly
Toothman

The Marksmen Pride Club Student of the Year for 1990 was Kelly Toothman. She is the daughter of Darrell and Jeannie Toothman.

Kelly, a freshman, made many contributions to Tell City High School during her first year. During the year she was a member of Student Council, president of her class, cheerleader, and a member of SADD. She was also an honor student and a member of the girls' track team.

During the summer after her freshman year she played softball.

Kelly already has decided that upon graduation she would like to become a lawyer and would like to attend Indiana University.

By being named the Student of the Year Kelly received a plaque, a check for \$150 from the Student Council, \$200 off the purchase of a new or used car from Evans Ford, a \$50 certificate from Fischer's Appliance Store, a \$50 certificate from Sports World, several free passes for movies from Tell City Twin Cinemas and bowling from the Tell City Bowling Center. Kelly also received gift certificates from Pizza Inn, Dairy Queen, Arby's and McDonald's.

Seniors Elect The People Who Are Best

Every spring seniors practice the tradition for voting for the "Person most likely to..." Sometimes the awards a person wins are really an honor and sometimes they are a dubious distinction.

Pictured below are seniors who all won some distinction by their classmates. In row one are Jennifer Hagedorn, Shelly Harris, Jenny Spencer, Sarah Freeman, Valerie Franchville, Leta Collignon, Tonya Coomer, Stacy Hildebrandt and Chris Daum. In row two are Ja-

mie Peter, Tara Pruitt, Terria Ballis, Tracie Brown, Chris Hagedorn, Valerie LaGrange and Mark Hagedorn.

In row three are Jeff Sandage, Steve Conner, Andy Schroeder, Sonny Labhart, Derek Cronin, Todd Hammond and Brian Rhodes. In row four are Ryan George, Steve Seibert and Lance Stephens.

For a complete list of all the honors turn to page 120. It will be interesting over the years to see how many of these come true.

SADD Is The Largest Club

By far the largest organization in the school is SADD, which stands for students against drunk driving. The club was not organized until very late in the year, because it needed a sponsor. When Mr. Lacy and Mr. Carney volunteered to be sponsors, the club became once again active.

Lovely Ladies Attend Prom

Everyone loves to see students dress up and attend the Prom, but the students also love to see teachers do the same thing. Everyone thought (Row 1) Mrs. Zellers, Mrs. Dowlut, Mrs. Farmer, Mrs. Marshall, Mrs. Hess, (Row 2) Mrs. Borden, Ms. Peter, Mrs. Kreig and Mrs. Kramer looked terrific.

Sagittarius Honors 121 Years Of Service

This year at Tell City we had four teachers retire. Many students throughout the years have had the privilege of their combined years of instruction. Mrs. Horn was the first to retire in January. Then in the spring she was followed by Mr. Dyer, Mr. Hintzen, and Mr. Lowe.

When I See You Smile

The annual Junior-Senior Prom was held on April 6 in the National Guard Armory. The theme for the event was "When I See You Smile."

The Armory was decorated in colors of blue and silver. Streamers and stars in the dance's colors hung from the ceiling and balloons were everywhere.

Chosen as royalty for the evening's festivities were seniors, Jenny Spencer as queen and Sonny Labhart as

king. An assortment of refreshments including such items as shrimp, dips and cokes were available throughout the evening.

Faculty sponsors for the Prom were Mrs. Thomas and Mr. Hall.

Following the Prom was an After Prom party held at the school and sponsored by the parents at which many prizes were given.

Class of 1990

The first class of the last decade of the 20th century tried hard to have a character all of its own. In many ways the class was outstanding and in some ways it was very average. Looking back through the pages of this annual you can see that many students accomplished outstanding achievements and several of the teams and organizations did also. In this way the class was really outstanding.

But, the class was also very normal. Like all teenagers

they wanted to reject authority and establish an identity all their own. They liked to push the rules as far as they could, but when the rules were firm, they knew when to stop pushing.

They knew in which classes they had to study hard and in which classes they could just breeze by. In some ways the class of 1990 was just a normal group of kids, but in many ways they were outstanding.

The End

When I think of the years that have passed since I first came to this country, I am often reminded of the many people who have helped me along the way. It is a privilege to have known and worked with such dedicated and hardworking individuals. I am grateful for the support and encouragement I have received from all of you. It has been a pleasure to be part of this team, and I look forward to the future with confidence and optimism. Thank you for everything.

(Left) Without Gwenn Beard we would not have made it. She diligently spent hours compiling the index along with Laura Moser. She also had a lot of help from her friends.

(Lower Left) Nikki, Katrina, Jennifer and Christie always felt work should be fun and they show you how happy they were when the work was done.

(Below Right) Missy, Tina, Rita, Christie and Stephanie were all excited about graduation and what it meant.

The Tell City Class of 1990 will always hold a special place in my memories. When excellence and achievement were expected of them, they showed they had what it takes to get the job done. They also showed that it's possible to have fun and work hard at the same time. To all the members of the Class of 1990, good luck. You have what it takes.
