Enrollment 412

Principal, Brad Ramsey

Assistant Principal, Chris Hollinden

Athletic Director, Ryan George

in the beginning

Main Street was as busy in 1957 as it is now in 2014. And although the cars, businesses, and people have changed, Tell City has maintained its pride in community, academics, and athletics. Throughout our high school career, we're faced with challenges and triumphs that help us grow into the people we want to be. But no matter what may happen, we as Marksmen will always face

PROGRESSION.

49% of **SENIORS** report being more excited

about their plans after high school than **ANYTHING** else

24%

of freshmen said they were nervous about starting their first day of high school

The sophomores were asked what their favorite genre of movies is.

94.6%

said yes, they help the students and they help them teach

2.7%

said no, they hate them and they think they're a distraction

2.7%

asked what a Chromebook was

how did the juniors **SPEND THEIR SUMMER BREAK?**

Summer

With time comes change, but one thing time hasn't changed at Tell City High School is the students' love for summer break. Summer break for most Tell City High School students is being carefree and simply having fun. Over the years, most students still enjoy the same activities as past students did decades ago, such as spending time on the beaches of the Ohio River or just hanging out with friends around the town. Even with years of progression, some Tell City traditions will never change.

1948

This couple soaked up some sun in the summer of 1947.

1978

The city pool was and still is a hangout for those who enjoy swimming or sun during summer.

1952

In the summer of 1951 these ladies worked on their tans on an Ohio River bank.

Foreign Exchange

Vacation, Urlaub, Vacaciones

Summer Vacations

During the summer of 2013, many exciting things happened. We welcomed two foreign exchange students from different continents, and some students even went to new and exciting destinations. Sophomore Jena Albor went to the Philippines to visit her family. She was able to experience many new things.

While some were on vacation, sophomore Kelly Tran from Australia and junior Benita Hastedt from Germany touched down in the United States. As we were told, the educational style in other countries are very different. And although this might sound horrible, German schools have 14 class periods. There is the first class, then a 5-minute break, second class, then a 20-minute break; the pattern continues, so you get around 5 breaks a day. Australian schools are far more stricter. You would either have a 4-period day or a 6-period day, with classes changing around for 1-2 weeks. Students have about 2 minutes to get to class, which would be unfortunate for classes that are very spread apart.

Benita Hastedt and Kelly Tran pose for the camera while they enjoy Pajama Day. Pajama Day was getting the students ready for the Academic Kick-off, which Benita and Kelly had never seen before.

St. Paul Mission Trip 2013

Top Row (l-r): Kassidie Hayes, Trent Rainey, Matthew Zabel, Spenser Beard, Clint Waninger
3rd Row: Chris Schaefer, Derrian Zabel, Cassie Bryant, Xavier Barnes, Keith Holman
2nd Row: Javier Mendez, Amy Hackbarth, Luke Thomas, David Jordan, Fr. Sengole Thomas G., Nick Weyer
Bottom Row: Janice Hackbarth, Mercedes Mendez, Kelsey Gowers, Natalie Peter, Megan Teague, Julie Bryant, Mason Waninger

Over the summer of 2013 the St. Paul Church went to Kenosha, Wisconsin for a mission trip. The students met with other church groups and volunteers.

Any other thoughts?

"I experienced the thrill of zip-lining. We went to Bohol to see the chocolate hills."

Jena Albor '16

"I went to Gatlinburg, Tennessee. I went with Sydney Brown's family. We drove up the mountains, went shopping, and watched several movies in the room with a projector and several comfortable chairs and couches."

Dakota Henderson '16

Band

From Teamwork to Triumph

Football

The Tell City Marching Marksmen did very well this year; however, it came to an unfortunate end at Regionals. They just missed Semi-State by a little over a handful of points. Their score had gone up a significant amount from their very first performance at Evansville Central to their performance at Regionals. They had a long run with several issues. From playing a standstill performance to everything coming to a strange halt, the Marching Marksmen gave it all they had.

Our 2013 Tell City football team finished their season with a record of 6-4. Our boys played their hearts out when they hit the field. They managed to beat Heritage Hills for the first time since August 28, 1992, with a winning score of 16-13. The Marksmen lost their Sectional game in a hard-fought battle to Southridge with a score of 28-27. All in all, our community, staff, and students of TCJSHS are proud of the effort the boys put forth this year.

The band kicks off the football game with the Star Spangled Banner. Following that, they played the Tell City Fight Song.

Robert Photography

the **SOCK TAN** band

"My greatest skill is being able to balance everything we're supposed to do without breaking down.."

Alexandra May '14

"My goal was to learn how to play the bass drum and, yes, I've accomplished that."

Ariel James '16

"My family gives me a lot of encouragement, but our classmates don't unless it's a spirit jug competition."

Samantha Burton '14

Elliott Brown '15

Brennan Malone '14

The senior football players and Coach Ryan George stand with the Marcom Traveling Football Trophy after defeating county rival Perry Central 34-0.

Time Flies but the Memories Will Always Remain

"The thing that I will miss most about football is the time I got to spend with the team. They are like family to me and always will be."

Ryan Shephard '14

"My favorite memory from this year was on the way home from an Evansville competition. The guard sang all the way home, literally an hour of singing a capella."

Sarah Mann '14

Donovan Ingle '15

Ashton Hale '17

Travis Brinksneider '15

Tori Nash '15

The Sherrys '14

GAME OFF

GAME ON

“It's not much different from being on the team than just being at home because we compete at everything we do.” **Cameron Sherry**

“It's much more competitive the second we get to the line during a race. I don't have any sympathy for him at that point. It's all business; I'm out to beat him and he's out to do the same.” **Caleb Sherry**

The boys cross country team show off their trophy after receiving first place in small town at the Brown County competition.

Girls XC
From Mile to Mile
 Boys XC

Freshmen Sarah Hess and Taya Franchville close in on their competition as they get closer to the finish line.

The boys cross country team did very well this season. Their record was 147-73. The team had a very supportive group of parents and students, which helped the team stay motivated. They won the PAC championship and the Sectional championship. They also placed second at Regionals and made it all the way to Semi-State. Coach Chris Hollinden said that he would have loved to perform at Semi-State a little stronger, but overall he felt the team ran a great year.

The girls cross country team also had a good season. Their record was 37-121. As a team, they finished third at PAC and sixth at Sectionals. Even though it rained during PAC, it was their best race. They didn't make it as a team to Regionals, but seven runners qualified individually. Also, two people made it to Semi-State at Brown County: Hailey Carman and Jalynn Pruitt.

Runners are
Strong as
 individuals,
 but **Stronger**
 as a
TEAM

"One of my accomplishments would be getting a 23 minute 5-K."

Anthony Froehlich '16

"My proudest moment was when I finished the season with a personal best time."

Mercedes Mendez '15

"My goal for this season was to go to Semi-State."

Jalynn Pruitt '17

Girls Golf

From Clubs to Rackets

Boys Tennis

The girls golf team did very well this year, especially for most of the team being first-year players. They really didn't have many fans at their matches, but their parents always supported them. As a team, they did not make it past Sectionals. However, junior Addison Peter did advance to Regionals as an individual and she made it to All-Conference. First-year coach Ms. Amber Thomas was proud of how much the team improved over the season. Addie got MVP, and senior Jenny Hess got Best Putter. They received these awards at their team banquet.

The boys tennis team had a good season. The team's record was 9-5. At PAC, they were tied in third place. From there, they made it into Sectional finals with an unfortunate loss to Castle, 4-1. Despite that loss, sophomore Jake Swihart made it into individual Sectionals. Coach Nick Weyer said that he "enjoyed working with the students to improve their skills."

The girls pose and smile right before their golf match in Jasper.

determination
and
patience

"One time, I almost hit a person with a golf ball."

Addison Peter '15

"My favorite memory would be when someone asked us if we knew the driving range was free."

Alexandra Lawalin '17

"I am really proud of getting the best putter award on the team."

GAME OFF

GAME ON

Before games, the varsity team would sing and dance to the song 'My Heart Will Go On.' This really pumped us up. Also, on the court, we would chant the cheer 'Do It.' This really excited us and gave us hope!"

Freshman Emma Kohnert jumps as she blocks the opposing team. Kohnert's favorite game was against Mater Dei.

From Amateur to Professional

Soccer

Volleyball

With a small team this season made up mostly of freshman and a shortage of substitutes throughout the game, the Marksman soccer team fought a tough season with 1 win and 12 losses. "The players this year realized they were to set goals not only to work together as a team but as a family and to always fight until the very end no matter what the score is," said Coach Fisher. The goals were accomplished this season because of the team's hard work and a positive attitude.

Despite losing seven seniors last season, the Lady Marksmen volleyball team had an unbelievably successful year. They finished the regular season with a 14-13 record and the PAC with a 4-4 record. The team ended with a .519 winning percentage. Off the court, many team members mentioned numerous memories such as scavenger hunts around town that created a bonding experience and became a favorite activity.

Senior Grant Bolin kicks the ball down the field. Bolin said about soccer, "Amazing things can be achieved through hard work."

there's no
I
 in team...
 or soccer...
 or volleyball...

"We as a team tried very hard, and although our record was not the best, we still had a fun time being with each other on a team."

David Teague '17

"My favorite memory about volleyball was taking Mater Dei to 5 games. The whole team played their best game and it was awesome!"

Madison Schuetter '16

"I love my team as a family and I couldn't have asked for a better group of people to end my soccer career with. I want to thank the team for making my senior year of soccer a great one!"

Emily Heck '14

1st Week

Starting a New Year

Online Classes

Many new things happened this year, like the arrival of the Chromebooks (or Bingbooks if you were in Mr. Weyer's class). Students and teachers learned quickly how to use this new technology in the classroom.

Also this year we got rid of the individual study halls and gave everyone one! Now instead of having to read books in homeroom, you could catch up on all of that soon-to-be-due homework!

Our school offers an internet-based program that allows students to make up missing credits or try for a better grade in a class. Enrollment in an online class was based on seniority due to a limited number of spots. Students who took online classes had nine weeks to complete the class they were taking. Junior Mariah Kessinger said, "Online classes are hard to keep up with but they always get finished." Brooke Peter, another junior, admitted that she would "wait until the very last minute to finish them."

Mr. Hollinden is ready to start a new year just like everyone else. He lost a bet with Mr. Bryan Taylor and had to wear this '80s ensemble.

diving HEAD in FIRST

"The first week of my senior year was epic."

Gage Otto '14

"It was fun, easy, short, and one of the best first weeks I've had"

Brittany Scott '14

"The first week of school wasn't as hard as I thought it would be."

Madilyn Hoskinson '17

Brooke Peter '15

Mariah Kessinger '15

Michael Smith '14

Timmy Holman '14

Ms. Thomas kicks the year off by teaching her Algebra I class. This was Ms. Thomas's first full year of teaching.

My Best Advice

"Get work done while you're in class because it's so much worse once you're out and have to make it up."

Layla Craig '14

"Online classes are very long and boring, but they get me a credit so it's all good!"

Dakota Alvey '14

Fall

From Parades to Chromebooks

Chromebooks

More than 600 Google Chromebooks were handed out at our school and served as a great asset to the classroom. If the wireless Internet service was working well, it certainly seemed to make class simpler. Many students were surprised over how much schoolwork could be done on the Chromebooks. Teachers were also impressed with the new technology. "We've been using Google Docs, which is very helpful for English classes. The students can share and collaborate with each other," said English teacher Mrs. Aubrey. This is just the beginning of a new way of how a classroom will work in the future.

All of the Tell City Marksmen sports and clubs were involved in the Fall Sports Extravaganza, which took place on Wednesday, September 18. They began the float line up down by Carriage Inn and ended at the football field. After the Fall Sports Extravaganza, everyone took to the stands and showed Marksmen spirit and support for our sports teams.

Our Marksman cheerleaders before the start of the parade. They handed out candy to all of the kids standing around throughout the parade course.

Enough Candy to feed a MARKSMAN

"The JAG Corporation helped our group, the Mad Marksmen, by lending us some candy when we ran out!"

Dakota Padgett '15

"Passing out candy to the kids was really fun!"

Phillip Kehl '17

"I will remember throwing out candy and waving at people during the parade the most."

Mary Steen '16

Chromebook delivery

Chromebook setup

Waiting for Chromebooks

Signing Chromebook contracts

Senior Willie Yates is one of the first among many to break a Chromebook. A cracked screen is how the journey of many Chromebooks ended.

Chromebooks are beneficial to class and the student life.

"The Chromebook, once thought to be a great asset for our school and a tool to help us all progress in our studies, my thought on it: ehh."

Christian Orellana '14

"Don't drop them, they're as fragile as antiques!"

FOOTBALL HOMECOMING

From Prominence to Perfection

ACADEMIC KICK-OFF

On October 4, 2013 Tell City held its annual Football Homecoming ceremony at Legion Field. The previous week all high school students voted for who they wanted to represent their class. Once all the votes were tallied, the freshman representatives were Shane Lasher and Emma Kohnert. Representing the sophomores were Javier Mendez and Allison Conder. The juniors were represented by Elliott Brown and Natalie Peter. The four queen representatives consisted of Logan Flannagan, Mary Jane Shockley, Maribeth Ammon, and Layla Craig. The four king representatives were Shane Roerk, Clint Waninger, Brook Smith, and Marcus Hinton. After all of the excitement and anticipation, the crowning of the queen went to Logan Flannagan and king went to Clint Waninger.

This year the Renaissance leadership class kicked off the 2013-2014 school year with an Animal Planet themed kick-off. The kick-off was then named Academic Planet to recognize students for their academic achievements. Students and staff were honored with awards and prizes for their academic excellence for the start of the new school year.

Crown Bearers Lydia Hollinden, Owen Henrickson.
Homecoming Court Emma Kohnert, Shane Lasher, Allison Conder, Javier Mendez, Natalie Peter, Elliott Brown, Queen Logan Flannagan, King Clint Waninger, Mary Jane Shockley, Shane Roerk, Layla Craig, Marcus Hinton, Maribeth Ammon, Brook Smith.

Clint Waninger '14

"When I found out I got homecoming it made me feel good. Just knowing that the majority of my class chose me made me happy."

Elliott Brown '15

Javier Mendez '16

"I felt very special to be elected onto the homecoming court by my fellow freshman."

Shane Lasher '17

"Getting homecoming my senior year meant a lot to me. I never would've imagined myself as a homecoming queen."

Logan Flannagan '14

Natalie Peter '15

"Being the sophomore homecoming representative meant a lot to me because it meant my class liked me enough to choose me."

Allison Conder '16

Emma Kohnert '17

The Renaissance leadership class worked hard to entertain the teachers and students with a dance to "What Does the Fox Say?".

Gage Jennings '14, Molly Haaff '17

Kyle Goffinet '15

Stephen Houle '17 & Allison Conder '16

As Good as It Gets...

"My favorite part about the Academic Kick-Off was the videos."

Emma Kohnert '17

"My favorite part about the Academic Kick-Off was when I was on stage in the giraffe costume."

Tanner Straneva '16

Off-campus lunch

From Training to Feasting

Internships

The class of 2014 is a lot more involved in internships. Everyone is a lot more interested in what they want to do when they get out of high school. Our school is doing everything they can to get everyone to succeed. There are all sorts of places you can go to intern, such as Waupaca, William Tell Elementary, Tell City Junior-Senior High School, many hair salons, etc. You can literally do anything. It's also a good way to see if you are really interested in doing that job or if it is not at all what you expected.

Usually, off-campus lunch has been reserved for seniors only. In the junior class we have quite a bit of students taking AP classes. If a junior taking AP classes makes at least a C, that person gets to go out during lunch with the seniors!

Internships and off-campus lunch are two positives to our school. As long as you work hard, good things come your way.

Senior Gabrielle Joines approves of her off-campus lunch trip to McDonald's. Fast food restaurants were often a favorite among those who could leave campus for lunch.

After
12
years...

"I liked the off-campus lunch when it was just a senior thing not the juniors being able to take an AP class."

Jessie McManaway '14

"I enjoy having off-campus lunch because I feel like the school day goes by a lot faster since I get to leave for a little bit."

Andrew Thiery '14

"I love having off-campus lunch because I can get McDonald's every day."

Amber Brumfield '14

Sydney Kohlstrom '14

Leah Leistner '14

Mary Jane Shockley '14

Ross Fischer '14

Senior Autumn Kuster poses with Mrs. Stacy Fleck. Autumn's internship allowed her to work with Mrs. Fleck, the nurse at William Tell Elementary.

A Step into the Future

"I like interning because I stay here at the school to help and tutor underclassmen."

Trevor Zuelly '14

"I get to get out of school for a little bit and get to work with some pretty cool guys."

Cody Beasley '14

Fall

From Home To Classroom

Class Projects

Several changes have happened this fall within our classrooms. In last period there was an increased number of girls enrolling in Advanced P.E. Seventh period was dedicated to all the girls that wanted to join, and several boys were also put in the class.

Many juniors took AP Chemistry and AP U.S. History. A new thing that happened this year was opening up campus at lunchtime to juniors enrolled in an AP class. There were ten juniors and eight seniors this year taking AP Chemistry. "This is more than triple the number of students that I had last year, and more than I have ever had in AP Chemistry, in the last ten years," said Mr. Kreilein, the AP Chemistry teacher. AP Chemistry was a dual credit class this year through Ivy Tech.

Mrs. Atkins, the ninth grade English teacher, was a new teacher last year and has also brought some new activities and creative ideas like Socratic Seminars.

Seniors Massey Drake and Cat Diaz work on the sophomore hallway and personal projects for Drawing and Painting class.

What have you liked or disliked about your fall classes

"I like that we get to pick our own topics for most of the speeches and we are giving the speech in front of people we know and not a room of strangers. It makes the class more enjoyable!"

Morgan Haaff '14

Ceramics

"One thing that I do not like about Socratic seminars is that they put you on the spot."

Madison Mathena '17

Geometry

Gabriela Arellano '16

Advanced Speech and Communications

"My favorite thing about ceramics is that I can get messy and it's acceptable because it's proof that I'm working."

3rd Place in Stock Market Game

Mrs. Goodrich points out something to junior Sydney Goffinet in Graphic Design class. Sydney enjoyed having Mrs. Goodrich for classes.

Did You Enjoy Chemistry I More Than AP Chemistry?

"Yeah, because Nick Ubelhor was my lab partner!"

Zach Flamion '14

"I enjoyed both Chemistry I and AP Chemistry equally. In Chemistry I though, you could be more relaxed and the expectations were not as high. AP Chemistry, being a college level class, demands more out of you and has higher expectations."

Logan Labhart '14

Winter

T

he winter of 2013-2014 was a cold one for Tell City High School. Due to all the snow and cold weather, a lot of school days were missed, and most students saw that as a good thing. This year's winter weather was the coldest weather Tell City has had in over 20 years-brr...that's cold!

1952

Marksmen girls basketball team practiced on their tip off.

1982

The winter of 1981-1982 brought not snow but ice to Tell City. Students "chilled out" while waiting for the ice to melt.

1978

Thick snow caused school to be canceled for days, but a couple of snow days never hurt anyone, right?

From Land to Lane

Boys & Girls Swimming

Junior Kassi Peter races in the 100-yard freestyle that she placed 4th in at PAC. Peter's personal record time was a 1:03.99 in this race.

Freshman Stephen Houle competes in the 500-yard freestyle race. Houle's best time in this event was 5:50.

Returning coach Mike Page coached his 32nd swim season this year. He said that this season, "All swimmers improved their times and achieved their personal bests." Coach Page also said, "The whole team consisted of quality swimmers," but if he could change one thing it would be to have more swimmers on the team. Another accomplishment the swim team made this year was both the boys and girls teams placed third at PAC. Luke Thomas and Aaron Vincent achieved all-time top ten Tell City High School times. The event Thomas achieved top ten in was the butterfly swim at Jasper Sectionals Championships with a time of 1:04:56. Vincent placed in the 100 backstroke. The team overall placed fifth at the Jasper Sectionals Championships.

Senior Trent Harding swims the 200-yard individual medley. Harding's personal best for this event was a 2:22:16.

Aaron Vincent '15

Sydney Brown '16

From Targets to Mats

Archery & Wrestling

Senior Nathan Freeman gets ready to shoot at his last NASP State Tournament in his high school career.

Freeman placed second overall at State, his score totaling 292 out of 300 points possible.

WE'RE STILL A TEAM!

KEVIN YEUNG '16
WRESTLING

"I think the team did better than last year and we did pretty good."

SCOTT PANNETT '16
ARCHERY

"When I'm out there shooting, I block out everything and pay attention to just my arrow."

MASON WANINGER '15
WRESTLING

"I will remember my ultimate overtime match in the PAC finals. It was the best match of the whole tournament. The only bad part was that I lost the match 0-1 and got second."

ELSA HERNANDEZ '16
ARCHERY

"My goal was to have fun and be good at archery. I accomplished it."

C.J. Rowe works his way around a Pike Central wrestler. This is Rowe's first year wrestling and he placed fifth in PAC for the season. "I did all right this wrestling season, but it wasn't my best since I haven't wrestled since the 8th grade," Rowe said.

The archery team hosted a tournament in December. As a team they shot 3,189 and qualified for the NASP state tournament. Nathan Freeman, senior, led the team, followed by senior Grant Bolin and sophomore Nick Arnold. For the girls, the top shooters were sophomores Jena Albor and Elsa Hernandez and Sarah Nguyen, freshman, for this tournament. This was the biggest archery tournament Tell City has hosted!

Tell City placed sixth in the nine-team PAC wrestling tourney in January. "We were only 11 points away from fourth place, which would have been a big accomplishment for our team, considering where we finished last year. We had a couple kids finish above where they were seeded...but overall it was a good day of wrestling," said coach Neal Stahly.

Senior Cody Osborne starts his match in the heavyweight weight class. He placed third in PAC this season and fifth in Sectionals. He has wrestled all four years in high school.

Aubrey Craig '16

Elsa Hernandez '18

Grant Bolin '14

From Dribbling to Dunking

Boys & Girls Basketball

Senior Brennan Malone gets in position to take a free throw shot after the opposing team fouls. He scored one more point for the Marksmen.

Brenna Leibering '16

Kassidie Hayes '15

Trent Zuelly '14

The girls basketball team did very well this year. "Better than anyone thought!" said senior Logan Flannagan. The girls had a lot of encouragement this season from the fans. They won eight games and made it to the sectional championship game, but in that game the Lady Marksmen had an unfortunate loss to North Posey.

The boys basketball team did great this year. "We've improved dramatically compared to last year," said senior Jimmy Phillips. The team won five games and made it to sectionals. The Marksmen also played against North Posey but did not win. Coach Owen was still proud of how hard they played this season.

Sophomore Celina Snyder dribbles the ball across the court. She shot and scored a point for her Lady Marksmen.

After the Games...

What do basketball players do?

Coach Owen calls for a time out in the middle of the game. The team and the coach talked about their next big move.

Home Away From Home

Winter Class Projects

Mr. Weyer's first period Algebra II class enjoys hot chocolate. The Renaissance class handed out hot chocolate to all the high school students right before winter break.

Other Thoughts About Classes?

"Lectures get boring. It's cool to do fun things."
Alex Morrow '14

"I think the best part about receiving hot chocolate is that it gets us started in the mornings. A lot of people like hot chocolate in the winter to warm up their bellies or just because it's refreshing."
Celina Snyder '16

"A class is definitely more interesting when we do projects. Some can be boring, some are just fine."
Nick Arnold '16

"Class projects grab your attention and give you a fun and interactive way to learn."
Garrett Jarboe '15

MARKSMEN

Mrs. Robinson's JAG class poses for a goofy picture. They competed in a competition this winter and did exceptionally well.

This winter was a wild one. We missed several days of school and had several two-hour delays. Because of this, many teachers fell behind schedule. Mr. Weyer had to wait for the weather to cooperate to take his class outside for sidewalk chalk graphing. Cami Galloway, junior, was asked if she thought classes were boring without class projects and she said, "No, I think that class is different for everyone. You make it what it is, boring or fun."

Mrs. Goodrich's Design Fundamentals class started working on papier maché projects that were put in the art show in the spring. "The paste, oh my God, it smelled horrible," said Rebecca Phillips, freshman.

Freshmen Kaydi Backer and Taya Franchville work on their papier maché project called Melting Snowman. "Taya and I came up with our idea after she saw something online about a melting snowman," said Kaydi.

From Practice to Performance

2013 Talent Show

Freshman Alex Lawalin, seventh grader Abigail Lawalin, and junior Sebastian Sturgeon pose for a quick snapshot with their trophies. The three winners were chosen by judges Natasha Edmondson, Leah Lasher, and Sharilyn Franzman.

Emily Davis '17

Alex Lawalin '16

Breanna Garcia '15

From ventriloquists to the "Evolution of Dance," the 2013 Tell City Junior-Senior High School Talent Show supplied the audience with many laughs and stellar moves. The talent show was held on Friday, December 13th in the high school auditorium. It was hosted by Kyle Boyer-Hanks and was sponsored by the JAG Corporation and Drama Department. Alex Lawalin placed 3rd by singing and playing on the guitar "Safe and Sound" by Taylor Swift. Sebastian Sturgeon took the 2nd place trophy by performing "The Evolution of Dance." Abby Lawalin stole the coveted 1st place by singing Leonard Cohen's "Hallelujah." Overall, the show was a huge success!

Freshman Rebecca Phillips shows off her talent by performing "Rolling in the Deep" by Adele. Rebecca said she chose that song because it was one of her favorites. When choosing the song, she said she didn't give much thought about whether or not the audience would enjoy it. All that mattered was that she had a good time!

How Nervous Were You to Perform?

No sweat at all! (38%) Kind of Nervous. (44%)
 My knees were wobbling, I was so nervous! (19%)

How Much Did You Practice?

Senior Gabrielle Joines said her group practiced every day for a week before the show!

Freshman Emily Davis said she didn't practice! "I was born ready."

Senior Gage Otto said he practiced a total of 20-30 minutes for the show!

Senior Trent Harding performs "Taking the Moon" by Bruno Mars. Trent, who had participated in the talent show for two years, said the best part about performing is being able to be in front of all his friends and family.

From Dashing Sleights to Jingle Bells

Christmas Parade & Christmas Concert

Mr. Roccia smiles as he stands with his chorus group. He said, "We've been practicing like crazy, and I really hope that everyone is able to see that. I am so proud of the dedication and efforts that have been put into the group this year."

Back Row: Timmy Holman, Trent Harding, Breanne Embry, Rebecca Phillips, Hannah Kellems, Savannah Alvey, Katilyn Bernardi, Alex May.
 Front Row: Mr. Roccia, Trista King, Shyla Ingle, Amanda Emerson, Vanessa Snyder, Breanna Garcia, Morgan Kelly, Morgan Embry.

The TCJSHS band and chorus prepare to begin a song during the Christmas Concert. One song performed was "The Holiday Sing Along," which included the high school and junior high band and chorus forming together as one.

After being postponed due to weather several times, Tell City finally held its annual Christmas Parade. The event took place on Saturday, December 7, 2013. Many different floats drove by while throwing candy at the people. A chili cook-off and Christmas in the Park was held at City Hall from 2:00 to 4:00 p.m.

On Sunday December 15, 2013, TCJSHS held its yearly Christmas Concert. The junior high and high school band played one song while the chorus sang along. Songs ranged from "Angels O'er the Field Were Singing," sung by the chorus, to "The Nutcracker Suite," played by the high school band. Breanne Embry, sophomore, said, "'Morning Star' was definitely my favorite song and we've come so far since the beginning of the season!"

Junior Alexis Briscoe and Senior Sera Martin sit on the float as they wait for the Christmas Parade to begin. Both Alexis and Sera are members of the JAG program.

Sarah Hess '17 & Devin Newton '17

TCHS held its annual winter dance on January 4, 2014, and was held in the auxiliary gym in the school. This year's theme was Ice Castles/Masquerade. Over 300 students and attendees dressed up and danced the night away. A castle-like entrance granted entry into the gym, and pillars created a canopy over the dance floor.

Senior Gage Otto said, "Drops of Jupiter' is the best slow dance song ever!" The DJ this year played various genres of music, ranging from hip hop to country. After being asked how long it took for her shoes to come off, freshman Lexi McFarling said, "I took them off as soon as I went through the door!"

The dance floor held over 300 attendees who danced the night away. Senior Sarah Mann mentioned, "My favorite part of the night was when there was the girls vs. boys dance off."

Battle of the Sexes: Dance Preparation

Allison Hagan '14 vs. Tyler Groves '14

Time	Allison Hagan '14	Tyler Groves '14
2:00pm	I went to the hair dresser and she curled my hair.	
4:30pm	I had my hair done and put on my shoes.	
6:15pm	After that I put on my shoes and left to take pictures.	
5:30pm		I put on my shirt, tie, and shoes.
6:45pm		Then I left.
7:00pm		That's it.

Sophomore Mary Steen smiles for the camera as freshman Emma Kohnert watches her. Mary said, "Emma and I didn't even plan on both wearing red that night! It just happened!"

From Presents To Resolutions

Christmas Traditions & New Years Resolutions

Some of our Tell City Marksmen—juniors Cassie Bryant, Megan Teague, Kassidie Hayes, Kelsey Gowers, Natalie Peter, senior Derrian Zabel, and junior Benita Hastedt—pose for a picture during their time down at City Hall waiting for the apple to drop. They spent the last of the old year preparing to enjoy the start of the new year.

Ashton Hale '17

Sarah Nguyen '17

Everyone has their different Christmas traditions. Some visit family, some have big dinners, but all enjoy the holiday vacation. "We have a glass pickle my mom hides on the tree on Christmas morning that we have to find for a prize," said junior Amity Lain about her fun Christmas tradition. Following Christmas is New Year's and that is a holiday Tell City has started to celebrate at City Hall and at the high school. There was bubble wrap stomping, the apple drop, and fireworks to conclude the celebration of a new year. With a new year also come new resolutions for people with many different options, which often are to lose weight or to try something new.

The town counts down the last little bit of the year as it fades away. Everyone impatiently waited for the New Year to hit!

Everyone who was down at City Hall waiting for the apple to drop saw more than just that. They were also entertained by multiple fireworks.

From Scholar to Sensational

Academic Teams & Basketball Homecoming

Junior Addie Peter and seniors Samantha Burton and Kyle Boyer-Hanks put their heads together while at the table. The three students were members of the Fine Arts Academic team.

Science Academic Team

English Academic Team

Math Academic Team

Tell City's basketball homecoming court was recognized on January 21, 2014. A new tradition was started this year and took place on homecoming night. From this year forward, each elected king and queen from the previous homecoming ceremony are the ones to present the newly elected king and queen their crowns. Our 2013 winners, Logan Flannagan and Clint Waninger, were proud to congratulate Grant Sanders and Emily Olberding with annual homecoming gifts.

Being part of a team that earns the right to compete at the state level is an honor. Several students earned that right as members of academic teams. On April 22, 2014, our six teams competed in the regionals competition at Bosse High school. Of those six, the social studies, science, and interdisciplinary teams advanced to state.

The homecoming court gathered around this year's football homecoming winners King Grant Sanders and Queen Emily Olberding for a group picture. The court consisted of freshmen Chandler Lacy and Nono Higuchi, sophomores Jacob Hammack and Halee Lamb, juniors Trent Rainey and Taylor Carver, 2013 king Clint Waninger, crown bearer Kelton Aubrey, King Grant Sanders, Queen Emily Olberding, crown bearer Rylyn Aubrey, 2013 queen

Logan Flannagan, seniors Dakota Braunecker, Vanessa Romo, Dylan Ingle, Gabrielle Joines, Zach Flamion, Morgan Haaff.

Grant Sanders and Emily Olberding were honored to be crowned King and Queen for Tell City's 2014 basketball homecoming ceremony.

Seniors

I enjoyed winning homecoming queen for my senior homecoming experience.

Emily Olberding

What I enjoyed most about homecoming was the fact that I got to represent my class during the last homecoming we'll ever have before graduating.

Morgan Haaff

I enjoyed standing next to Dylan during homecoming.

Gabrielle Joines

I loved getting to spend time and take pictures with my friends for homecoming.

Vanessa Romo
